## **PRESIDENT'S MESSAGE**

Hello AMTC members,

Here we are in the middle of summer and it has been a hot one thus far. It has been nice seeing many of you out at the shows and reading all of the wonderful brags on Face Book. Glad to see so many of our wonderful Manchester's doing well at the shows.

The new board has been very busy putting some issues to rest and taking care of new business. Everyone is working well together and our meetings have been very productive. As for what is in the works, we have hired a company to build and design a new website for us. It is being worked on right now and we will be needing some pictures and input from the membership soon.

Marla and her group have been working hard getting this year's National ready. Looking forward to that and seeing everyone there. Also we have a logo contest that will be voted on at our annual meeting for our new AMTC logo.

If anyone has anything for the board or an agenda item please send it to Kathy for our annual meeting.

See y'all around the ring

Jeremy McClister  
President AMTC

## **Biographies of New Board Members**

Bio for Kathy Nissen – AMTC Sec’y

My love for the Manchester terrier began way back in 1982 when my then husband suggested we get a dog ‘like he had as a child’ so my search began.

I finally located the breed and instantly fell in love but soon realized they were one busy busy little dog! I wanted a well trained dog and I remember my dad taking our doxie to obedience ‘school’ when I was a child so I decided I had better do that with this busy highly intelligent black and tan dog.

Well, after attending the classes, my instructor thought I should enter him in obedience trials. I got hooked. Billy (named after the infamous ratter of olden days) was quite the entertainer in the ring but he really did know his

## **Biographies of New Board Members, Cont.**

stuff and qualified in four trials. It took four because one of the trials was a bit cold and he decided the floor was not the place to do the down so he proceeded to jump up on the ring steward's lap!

Again, my obedience instructor stated that Billy was such a little show off that I should try doing conformation...so, we entered our first show weekend during the Des Moines, Iowa cluster. I was too chicken to take him in so a friend of mine took him in for me and low and behold, he took breed! I was shocked yet thrilled at the same time but you know the best part of being around the conformation ring? Meeting the great 'manchester people' that were also exhibiting that weekend! I met and became close long time friends with Ken and Cloydett Stickney (Bit O Luck), Jan and Dwight Varner (Canty), Marla Zoz (Ambrick), Bev Leidner (Fantasy) and Cathy Vanatta (Inverwood).

The world of showing dogs opened a whole new world for me that I came to love dearly. During my first year of showing I also joined the AMTC but took a break from 1987 through 1999 to raise my children but once they were old enough to be in school I was back at it again and rejoined the club. I also previously held the office of Secretary prior to this current term (finished out vacated 2002 term and continued through 2008).

Over the years, the saying, 'you can't have just one' came to fruition and you guessed it...I had two, then three...and now I have five. Two of which are retired finished champions – Ch. Shal Mar's Lucas McCain/Ch. Shal Mar's Amicable Asian Jett -14 and 12, two littermates from my 2006 litter – WhirlWynd's Catch Me If You Can (Capri) and Cooper– 9 (Cooper I took back from a home he was placed that could no longer keep him) and a rescue, Willy – not sure of age. They are all couch potatoes and lap warmers. I've also had two others that are now gone but not forgotten (Am. Can. Ch. Bit O Luck Demonmoons Encore CGC – Devon-and his daughter, Halley).

I no longer show but still long to get back into the ring and now that I'm once again active in the AMTC having been elected, once again, as Secretary, I have that 'bug' biting me so who knows what the future holds.

As far as other interests? Being single with no one to answer to but myself, I decided after both kids went off on their own that I would do something I had always wanted to do but never had the chance to while they were home. I wanted to ride a motorcycle again – on my own, which I hadn't done since my early teen years - so I bit the bullet and bought a Harley at the age of 55 and four years and three bikes later, I am having the time of my life! I finally have the bike of my dreams, a Heritage Softail after riding two other types (Sportster and Super Glide). My son rides, my daughter's fiance' rides (with her as his passenger) and several close friends ride so when the weather gets warm, we all get together and take off and just go all day long! There is nothing like 'wind therapy' to take away the stress and totally relax the soul! Crazy at my age? Maybe so, but if there is something you have always wanted to do and the opportunity presents itself? Go for it! You won't regret it one bit!

I'm hoping to get the chance to visit with most of you that attend the National in Lincoln, NE this fall so please be sure and make yourself known to me as I would love to get to know those of you that share this great love for this wonderful breed! Until then? Happy 'manchester'ing'!

## NEW MEMBERSHIP APPLICATIONS

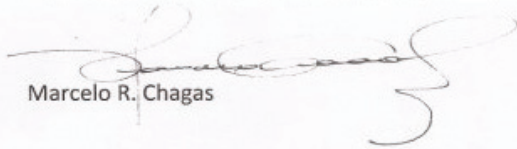

To: Ms. Kathy Nissen

I am sending in my application to become a member of the AMTC. A little about myself is that I am originally from Brazil where I began showing dogs as a child approximately 45 years ago. I have shown and bred various breeds, my original breed in Brazil were Filas and Dobermans. I have been a professional handler for 30 years now and have shown and finished over a thousand dogs of various breeds.

In the US here I have mostly been known for my Am.Cockers and Beagles. For the past 7 years I have also been showing TMTs and Standard Manchesters. Currently with my partner Dr. Travis we have bred and shown numerous multiple BIS and BISS winners and have managed to keep a nice quality animal in the show ring year after year.

After getting to know the wonderful breed via my partner Dr. Travis, I tell everyone, I wish I had met this breed 30 years ago. I think out of all the breeds I have bred, shown and lived with, the Manchesters are at the top of the list for being the best companion anyone could want to live with.

Thank you for your consideration into your club,

  
Marcelo R. Chagas

March 30, 2015

AMTC Board of Directors,

It is my pleasure to sponsor Marcelo Chagas as a member of the American Manchester Terrier Club. I have known him as a breeder and an exhibitor for some time, and I think he would be an asset to our club. He is very knowledgeable about our breed and dogs in general.

Thank you for your consideration.

Sincerely,

Susan Thrasher

To Whom It May Concern,

I am interested in joining the American Manchester Terrier Club to stay abreast of events and information about Manchester Terriers and get more involved if possible (maybe in rescue). I had wanted a Toy Manchester Terrier since we lost our family dog when I was a child. For years (before the internet) I looked but was unable to find anyone that could get me to these dogs again.

I do not currently have a registered Manchester Terrier, but have a Toy MT rescued from an AK puppy mill and a Standard MT rescued from a home that no longer could keep him in NY. I have been adopting Toy MT's for a number of years. My first Saber was from Gerry Shastid in Texas, she had a deaf senior Toy MT that had lost his family. My next, Teddy came from via Lisa Nonog in Seattle WA from a family that could no longer care for him. I am grateful that I have found these dogs and am able to give them a secure loving home. Saber and I went through obedience training and he attained his Canine Good Citizen. He made it through most of the therapy dog training but we knew was not a true candidate for the job but it surely made him a wonderful companion. My current dogs are still in the home training phase but I expect to begin obedience with the Standard MT sometime this summer.

I work full time as a Senior Solutions Analyst for Xcel Energy and own my home. Currently I have the two dogs, three rescued cats and a rescued horse. I have volunteered at Wildlife Rehabilitation Center MN as a crew leader in the mammal nursery for 11 years and volunteer in the Wildlife Exam room at Animal Humane Society Golden Valley MN for a year and a half.

I would love to learn more about the breed and get more involved.

Thank you for your consideration.

To the AMTC Board of Directors,

I would like to recommend that the board approve Christine Groetken for membership into the American Manchester Terrier Club. She has had rescue Manchester's and is very interested in learning more about the breed and possibly helping with rescue if the need would arise.

I feel that Christine would be an asset to our club and I would welcome her as a member of my District. Becoming a member will help her stay in touch with what is happening with the club and learning more where there might be a need that she would be able to contribute to.

Thank you for your consideration

## NEW MEMBERSHIP APPLICATIONS, Cont.

May 28, 2015

To Whom It May Concern:

In consideration of my application to join the American Manchester Terrier Club, I am including a letter regarding my history of involvement in AKC conformation and obedience events.

We currently own 2 Golden Retrievers, 2 Pomeranians, and 2 Toy Manchester Terriers. Three of my dogs are altered and are either obedience trialing or companion/therapy dogs. My young Golden Retriever is currently being shown in Conformation, and both of our Toy Manchesters will also show when they are old enough. I only have intact males, and do not have breeding ambitions at this time. We raise our dogs in the home as companions and family members.

We have finished 2 of our previous dogs in conformation. We help with many of the local all breed clubs in organizing and working on their annual shows. I have served on the Board for several years at my former all breed club, as well as Chairman for several committees. I currently serve as Secretary and Show Chairman for the Sooner Pomeranian Club of OKC, Inc.

I have been an obedience trainer since 1998, working professionally and privately teaching group and individual classes. I am an approved CGC Evaluator as well. I have been competing in Obedience for many years and have titled several of my personal dogs. I currently teach classes and assist at our local all breed and obedience clubs.

My daughter is also a Junior Handler and competes with our Golden Retriever. She will be competing in juniors and in the breed ring with the Toy Manchesters. She is interested in becoming a junior member with the AMTC.

We definitely are interested in growing with the Toy Manchester breed, as well as helping with the AMTC with committees or volunteering as needed. I am very knowledgeable about the process of coordinating show events, and I am more than willing to contribute as needed to the club.

Sincerely,

To the AMTC Membership/Board Members

I am writing today to recommend Sandy Vandergriff for membership with the AMTC. Sandy is very involved in a wide variety of dog sports and numerous other dog clubs. She is extremely knowledgeable in many areas, be it training, health, conformation, and always puts the dog's interests first.

I had the pleasure of meeting her and her sweet daughter Hannah at a conformation event. We spent a bit of time talking about the breed, and dog sports in general. I believe she would be a great asset to the AMTC.

Sincerely,

## AMTC JUDGES EDUCATION COMMITTEE REPORT

We are working on getting the Judges Education Material and list of mentors/presenters on the AMTC site.

## HEALTH CHAIR REPORT

Instead of the usual serious article about canine diseases, some humor this month instead!

Some things I've learned about dog training and life in general, after having major knee surgery ...

1. If you accidentally smack a small dog with your crutches, he won't want to heel next to them for a long time.
2. Using a walker during training really messes up your fronts and finishes.
3. Using crutches during training also really messes up your fronts and finishes.
4. Using just one crutch during training and showing really, really messes up your fronts, but isn't so bad for your finishes as long as it's under your right arm.
5. Always be nice to your mother-in-law, especially if she's taking care of you after surgery.
6. Don't be afraid to take your pain meds as prescribed post-op. Pain slows healing and makes it difficult to sleep, and you're unlikely to become an addict in a week.
7. Ice is your new best friend.
8. A tired puppy is a good puppy.
9. Taking the time to learn to play with your dog as a puppy pays dividends as an adult, especially when you can't take him for long walks or run around with him in the yard to tire him out.
10. Don't give commands you can't enforce. If it takes you five minutes just to get off the couch, you aren't going to be able to enforce that ignored command.
11. A clicker, a handful of treats, and a shoebox are great tools for keeping a busy puppy occupied.
12. A Kong filled with a mixture of kibble and canned dog food, then frozen, is a great way to soothe and occupy a fussy, teething puppy.
13. Most puppies don't arrive leash-trained, and turn into bucking broncos when you start the process.
14. Listen to your physical therapist, even if it hurts, because you will thank him or her in the long run.
15. In retrospect, it's probably not a good idea to use jumping up to kiss your cheek as a reward, especially with a big dog, because it's really easy to knock over someone on crutches.
16. A small warm dog cuddling in your lap is therapeutic, whereas a big fat cat jumping up onto your recently-operated leg is not.

Hope you enjoyed my advice for recovering from surgery or major illness, and that it is useful. I know some of you are going through difficult times right now – hug your dogs and feel better!

## **PUBLIC EDUCATION**

By Rachel Jonas

In these days, it may be intimidating to some of you to join a social media community on line, but here are a few thoughts as to why it can be beneficial for you to consider it. First and foremost it's free. Free is always good right?

The most popular – and probably the easiest – is Facebook. On Facebook you can set your profile picture as a Manchester and immediately be connected to Manchester (ETT) lovers worldwide. Also Facebook will allow you to set up what they call a 'page' which is what companies use to interact with their customers. It allows the Page Owner to control what content is seen by the public and will allow you to post pictures of your dogs for the general public to find. This more or less grants you a free website that you control, all while giving you an easy template to follow for its set up.

With the majority of the world having a Facebook account this allows you access to people you might never be able to reach in the means you had before. In these days of our breed's dwindling numbers, this is a tool that we all should consider taking advantage of.

## **PUBLIC EDUCATION, Cont.**

We also have several really informative and fun groups on there, dedicated specifically to Manchester things: An education group, an art group, a worldwide group, the American group, a stud dog and pedigree group, a few rescue pages, and more!

If you do consider joining us on Facebook, there are a few tidbits I'd like to pass along. Always watch your change your pictures' 'who can see this' setting to 'friends of friends' if you're posting to a group so we can all see them.

Be warned it can be addictive, there's a lot of stuff on there, and way too many food posts than are healthy for my stomach.

And Manchester's make the best profile pictures because let's face it, who in their right mind wouldn't want to look at a picture of a Manchester!

We look forward to seeing you on the web!

## **AKC DELEGATE'S REPORT**

JUNE 2015 – DELEGATE'S REPORT

The June Delegate's assembly was held on Sunday and Monday, June 7 and 8.

The best part of the meeting was the ceremony celebrating Michael Liosis' 45 years with the AKC. It was done with great humor. For all his tolerance of the craziness of dog clubs, Mike deserves the Congressional Medal of Honor, but since the AKC can't award such a prize, they gave him instead his own replica of the Stanley Cup, the one the NY Rangers did not win this year. (Mike is a rabid Ranger fan.)

The primary work of this assembly was to vote on changes in the AKC by-laws concerning the exclusivity rights clubs to their territory and rules related to dog shows. With exception of Section 3 which was a bit confusing, all parts of the changes were accepted. Part 3 was sent back to the committee and will be represented to the assembly in September when, hopefully, it will be reworded and clarified.

That was about it for the delegate's assembly, it was not one of the busier meetings.

Respectfully submitted

Roberta Berman

Your humble AKC delegate

The 2015 Nationals will soon be here. I hope everyone has received their premium list and packet. If you have not, please contact me and I will get that out to you right away. The trophies that are in black and white in the packet are in color on the AMTC web site.

If anyone has any questions or concerns, please contact me at 402 477 5087 or [chestermum@neb.rr.com](mailto:chestermum@neb.rr.com).

We have beautiful trophies lined up for the day of the Nationals, and there will be trophies at the 4 all breed shows also.

We will have Obedience, Rally, Agility, CAT test and Barn Hunt instinct test. There will be a lot going on, but there should be something for everyone.

Other than preparing for the Nationals, there has not been a lot going on in District 5. I hope everyone is having a great summer and doing well at the shows that you have been attending. I have placed my order for good weather for the week of the Nationals. I am looking forward to seeing everyone and hoping to see some new faces, which means more new friends.

If there is anything at all that I can do for you to make getting to the Nationals easier or to make your stay a great experience, I am here for you.

See you all very soon.

Greetings to all,

Just want to send out a thought. To carry our breed along I have heard that we need to connect with the public; to inform. Then to connect with our dogs; to interact. This I am told will build our numbers and interest for our breed.

I feel there is something else very important to continue growing this breed. That is to support. We are all in different levels of knowledge and abilities as we enter our dogs in an event. Take someone under your wing. Go out to eat together after the event is over. Keep them in the loop of events. Support them.

We all paid our money and want to win. But to be a team, working together, only strengthens our breed for the future.

We are approaching the "dog days" of summer so get your dogs out there!

See you at the nationals and don't forget about our Lexington shows coming up!

Respectfully,

Barbie Munafo

The toys had a great weekend with some big group placements at Woofstock. On Thursday, GCH Burmack's National Treasure at Medley went Toy Group 2, defeating 168 dogs total. On Friday, GCH Benison's Dance of the Reed Pipes went Toy Group 4, defeating 189 dogs total. Wonderful wins for the breed. Congratulations to all of the winners! Thank you to everyone that donated the time and gifts for these shows.

### AMTC ALL-Breed Agility

Even though many of the local competitors were in Germany at the European Open we still had a nice entry with nearly 500 runs each day. The weather was cooperative in the high 80's, so it was very comfortable for the dogs. The trial was well received with the competitors. I think indoor agility is beginning to break ground as people are getting used to the venue. I want to thank all those who donated their time and/or prizes to make the trial a success. The workers really appreciated the gifts. Thank you, thank you!! These trials would never happen without the workers!

### DISTRICT 8 BRAGS

**“Adam”** - MBISS GCH Bayside's Beginning attained his Silver Grand Championship at 23 months of age on April 11, 2015. Adam has had multiple group placements in the past two months 3 Group 4 and a Group 3.

**“Isabelle”** - GCH Bayside's Sexy Shadowhunter attained her championship at 7 months, the Grand Championship at 8 months and is already halfway to her bronze medal. Isabelle is co-owned by Sherri Brock and Dianna Texter, and is shown on the East coast.

**“Sonic”** – CH Medley's Warp Speed recently attained her championship at the district specialty by going undefeated in less than seven shows at 7 months. She won her first major at 6 months by going BOV over specials under Mrs. Pat Hastings in Medford, Oregon in May.

**“Bella”** – GCH MACH Medley's Picante Y Sabrosa RA MX MXB MXJ MJB OF CGC TT RATN HOF attained her Master Agility Championship. Bella is a very special girl. She has multiple BOS wins at Specialties across the country including winning BOS at Eukanuba in 2009 and Westminster in 2010. Bella also has three daughters currently ranked in the top ten in breed points. She's just a really cool Manchester Terrier, and is an amazing ambassador to her breed.

### District 8 (AK, WA, MT, OR, ID, NoCal, NoNev, UT)

“**Lucy**” – GCH Levendi’s Fire in the Sky Lucy 2 attained her Championship and Grand championship in just five weekends of showing. She finished in one weekend, and has only been shown at highly competitive shows for standards in the country - 2014 Eukanuba shows, Palm Springs, Pasadena and Woofstock to attain the GCH. With her BOV wins at supported shows at Woofstock she sails to #3 in breed rankings. Lucy is co-owned by Dorothy Fulco and Christina Caridis.

“**Tippsy**” – GCH Jetcity’s Southern Comfort MX MXJ NF CA made the top five in agility earning herself an invite the 2015 Eukanuba Invitational.

**Dante Zanutto** is the current #1 Junior Handler in Manchesters. Dante has been showing since he was a little boy and has really become quite the handler. More importantly he has become an extraordinary young man. We are certainly proud of him in District 8 and hope for many more wins with “Xander” GCH Spotted Oaks Wake the Dead. Congrats Dante and Xander!

*Dante and Xander winning Best Junior in Carmel, CA*

“**Piper**” – GCH Benison’s Dance of the Reed Pipes won BOHIS at the Woodland show in May. She also had a very prestigious win in Ventura KC by going Toy Group 1 under the well-respected judge, Mrs. Lydia Coleman Hutchinson. Piper will have her name engraved onto the KC’s challenge trophy. Piper finished her bronze grand championship this past weekend in Lompoc, Ca.

Until then, happy trails and happy training!

Sincerely,

Christina Caridis, Governor, AMTC District 8

## Junior News

Hey Everyone,

Finally got the picture of Marit Alsager winning the scholarship for best in cluster at the Apple Blossum cluster in Kalamazoo memorial day weekend.

Marit is doing incredibly well in Junior Showmanship as well as the breed ring in both Manchesters and Dobermans. She is fully qualified for the Eukanuba finals for the junior showmanship national championship in Orlando in December.

She is a masters junior showman (she had to have 10 first place with competition), and she is 5 best junior handler wins away from qualifying for Westminster Kennel Club in junior showmanship.

In addition she has put a Grand championship on her dog "Heaven Hi's Colorado Gold", and has shown her to top 10 in owner handler with many group placements including two 1st in owner handler. She has done all this and finished the school year with straight A's.

## Junior News

This is a picture of her going Group 1 and her best friend Sam Aimar (who is deaf ) going Group 2 with her at Columbus, OH

Needless to say I am a proud mom!  
Judi Fleischaker DVM, MS  
Saving lives with care and kindness

Dante Zanotto Carmel ca. July 12th  
Best junior  
In very heavy competition.

## Junior News

"This past weekend at the Marion Ohio Kennel Club show Callie Caoua with "CH Burmack's Fields of Dalilah Flowers," Dalilah won BJH both days and now will be competing in the Masters Class. Callie is very close to meeting her goal of qualifying for Westminster 2016 as well. Thank you to all her continued supporters"

Taylor Blankenship just doing what she does best!

P A R T N E R S H I P

Dear Jeanette Tonini,

As the Purina Parent Club Partnership (PPCP) program has entered its 13<sup>th</sup> year, we wanted to take this moment to thank you for your participation in the program and reflect upon our joint successes thus far:

Since the program inception in 2002, American Manchester Terrier Club has received \$946.62 from Purina, of which half was allocated toward the American Manchester Terrier Club-AKC Canine Health Foundation donor advised fund; and the other half allocated directly to your club for use towards more research, education and rescue efforts. Please see the reverse side of this letter for key highlights and examples of research conducted by the CHF.

We highly encourage you to share these facts with your club members so that both your club and the AKC CHF can benefit further. Please note, breed club members must first become members of the Purina Pro Club program in order to declare your breed club as a recipient of the PPCP program. Members can join by visiting [www.purinaproclub.com](http://www.purinaproclub.com) or by calling 1-877-PRO-CLUB (1-877-776-2582).

As an added bonus, we would like to also offer to pay for two (2) nights lodging and ground transportation around St. Louis for two (2) Club representatives to do a site check at the Purina Event Center/Purina Farms for a future National. The two representatives must have some responsibility for scouting and recommending potential sites for your National. For more details and to take advantage of this offer, contact Kaite Flamm, 314-982-5211, [Kaite.Flamm@purina.nestle.com](mailto:Kaite.Flamm@purina.nestle.com)

If you have any questions about the PPCP program, please feel free to reach out to Christa Townsend at [Christa.Townsend@purina.nestle.com](mailto:Christa.Townsend@purina.nestle.com)

Sincerely,

## **NEWS AND NOTES**

Please send your information to AMTC Newsletter Editor Cheryl Roach at lakewaymanchesters@gmail.com or cjroach6@gmail.com to have stories, paid advertisements, info, events, photos, etc.... added to the next Newsletter which will come out in November 2015. **EVERYONE is welcome to contribute!**

**Editor's Recurring Notes: If you want to receive a hard copy (or "snail mail" copy) of the newsletter please email me your name and address to lakewaymanchesters@gmail.com or send me a letter with your name and address to - Cheryl Roach, 817 Plainview Drive, Dandridge, TN 37725. My home phone number is 865-484-0455 (from 9 am - 9 pm only please) if you have any questions. I work outside my home, and live on the East Coast, so it will sometimes take me many many days to get back to you if you leave me a phone message. Snail mail (or email) is actually WAY better because then I have a written record. I put these all on my desk in a pile until I work on the newsletter so you may not hear from me right away. If you'd like to receive your copy on line (and save a tree, postage and handling) please let me know that also**

**ADDITIONALLY - Please note that at the very back of the newsletter there are several forms which need to be emailed or snail mailed back (membership renewal, volunteer form, ATC stud form) that may interest you.**

### Member Profile

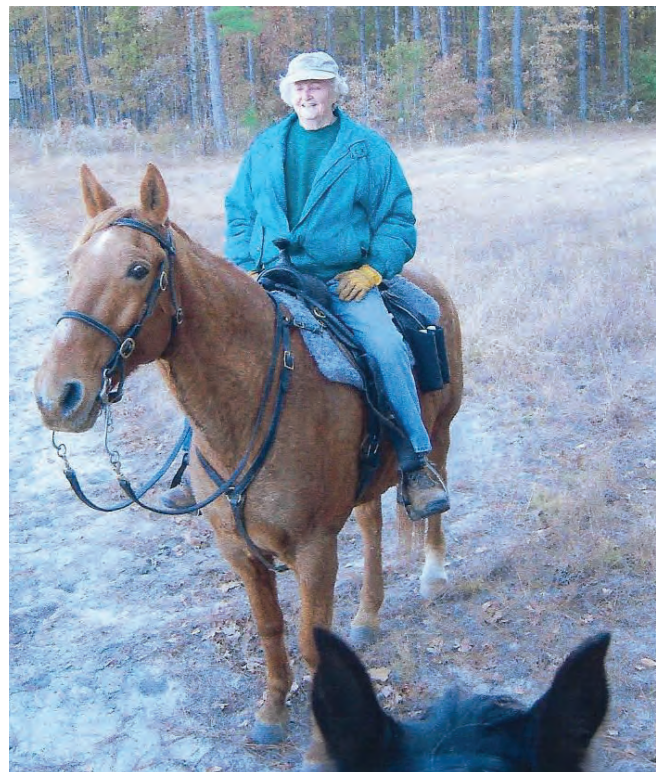

Editor's note – *It occurred to me, that largely because of geography, many of our members have not ever met each other. Or they may have heard a name, but have no idea what that person looks like or anything about them. I'd like to prolife at least one member each time – and would especially like to feature those of you that have been with the club or our breed for a long time. Please feel free to submit a story and pictures please if there is someone you'd like to feature. Things to ask: Where did you get your first Manchester from? Why and how old were you? Why did you start showing or competing if you do? Why do you do keep what you do?*

*I thought I would start with the very inspirational Marty Marler of Marler Hill SC who has forgotten more about titles and breeding than I will ever learn – and who has also been an exceedingly kind and generous mentor to me and many of us in southeast. Marty is a very young eighty year plus old dynamo who still breeds and shows Manchesters – when she is not being a mom, grandma, great grandma, riding horses or canoeing.*

“I retired from working at a textile plant in March 1994 and wanted a house dog. An empty house is so lonesome. I was looking for a Chihuahua, but could not find a puppy. In the spring of 1995, I saw an ad for a Manchester terrier puppy – the ad said it was small - like a min pin. So I met the owners at a jockey lot and my husband bought “Dazzling Dee” for me in April 1995. I bought a male, Ch. Hicks Fred, from the estate of Lou Strickland. I now had breeding stock.

Out of that first litter, one of my customers kept calling and insisting that I start showing dogs. I showed and won in Greenville SC – it was fun! I had shown Irish Setters as a teenager which had been a long time earlier – but once the show bug bit again, I was hooked on showing Manchesters. I am a Breeder of Merit – I have bred thirteen Champions – four of which are now Grand Champions.

When I am not dog showing, I love to ride my horse and horse camp”.

## PLACING PUPPIES IN THE 21ST CENTURY

As I watch my new litter of puppies as they grow into the loving companions they were bred and born to be, and I think about my responsibility as their breeder to ensure their new homes are “forever” ones. In addition to the socialization and enrichment they each desire and require, and will receive, it’s also my job to find the right people for each puppy. But how best to do that?

Well, I think that brings us to the seemingly “dirty word” of advertising. I think many in the dog fancy associate advertising with merchandise, and we would *never* consider our puppies as such. Back in the day, it was considered taboo to place an ad in the newspaper, and now it’s verboten to seek homes online. “We needn’t stoop to *that* level in order to place puppies,” we think.

I think part of the stigma arises because the Internet is where so many of the shady, back-alley dealings by those dastardly puppy-millers occur. There are all sorts of sites that cater to pet sales—and yes, irresponsible breeders are indeed thriving there. However, we need to realize that online is where people look for *everything* these days—including their puppies and dogs. Rescue organizations have embraced the Internet; it’s time reputable breeders do likewise.

If we don’t use the Internet as the tool it can be, we, in essence, are giving free rein to those less-than-reputable breeders to peddle their wares. Without any real alternatives for the people seeking a healthy, well-bred dog, the bad breeders are thriving online. If they’re the only ones online, then they’re the only ones whom people who are seeking will be finding.

## **NEWS AND NOTES, Cont.**

We need to make our presence known online so that people who do want to buy—yes, *buy* (that’s not a dirty word, either)—will have the option of finding us. Hopefully then they will see the difference between our healthy, well-bred puppies and ones born and reared in sometimes horrible conditions.

Yes, there will always be people for whom the dollar is the bottom line. However, there are also a lot of people out there looking to find the quality puppies we have to offer. We need to make ourselves available. Let’s not let our pride get in the way of finding the homes our puppies deserve.

The times are a’changin’, and we must realize we need to change with them in order to stay relevant in today’s world. I admit I can be fairly “technically challenged” when it comes to many online activities, but in my opinion it’s critically important that we do whatever we must in order to find the best homes available for our puppies.

Additionally, thanks to the Internet, the world has become a much smaller place. Because I’ve used the Internet, I’ve placed my puppies in outstanding homes quite literally from sea to shining sea. And in addition to the new friends I make, it’s so easy to stay in touch, watching our babies develop into beloved family members.

Let’s not be intimidated about our brave new world’s technology, or so prideful because we don’t need to advertise our litters, that we allow these great homes to slip away to irresponsible breeders.

### **Thoughts we don't want to think of or talk about - but should:**

Former Governor Jeanne Dalesky brought up a good point recently - no matter how old you are, have you thoroughly planned where your Manchesters would go if something happened to you?

Who would take care of them?

Do the new owners know that they will be responsible for these babies until the end of their lives?

Are their names on the Manchester's papers - or do you have transfer papers pre-signed and undated so they could assume ownership without delay?

Will they have the funds to take care of your babies and know who their vet was?

### **Lament of a lady “Gone to the Dogs”** (submitted by Jerri Hobbs) (author unknown)

There was a time, there really was – when I was young and tender  
When “show dog” meant a Disney star and “bitch” was not a gender

I went to bed at half past ten. I went to church on Sunday.  
On Saturday I baked the beans, and did the wash on Monday.

But then I got a certain pup – and erstwhile friend said “show”  
And, so I did, and so I do – Oh, what I didn’t know!

Once I was dressed with flair and style – that was the life, don’t knock it.  
Now every dress from bed to ball must have a good bait pocket.

I used to have a certain air – I wallowed in perfume.  
I used to smell like Nuit d’ Armour – now I smell like Mr. Groom!

My furniture was haute decor – my pets – a tank of guppies  
Now I’ve furniture that is all unstuffed and well adjusted puppies.

I used to long for furs and jewels and a figures classed as “Super”.  
But now the thing I long for most is a nice new pooper scooper!

I was taught to be well groomed no matter where I went  
Now all the grooming I do is in the handler’s tent.

While I once spoke in pristine prose, in dulcet tones and frail  
I am now using language that would turn a sailor pale.

I adored a man who murmured verse through intimate little dinners  
But now the words I thrill to hear are just these three: Best of Winners!

I really love my doggie life – I wouldn’t care to change it  
But when I get that Best in Show perhaps I could maybe rearrange it.

So when my days on earth are done I’ll go without much nudging  
Just give me three weeks’ closing time and let me know who is judging.

## **NEWS AND NOTES, Cont.**

*Editors Note: At one of the first shows I ever went to, a group of "gals" were talking about me and making fun of how inexperienced I was - not knowing my daughter was sitting less than two feet away from them listening to every cruel word. I almost quit right then after I found out what they had said. Besides being horribly hurt, since I was new to the sport I had no idea what or even if I was doing something wrong - and how to fix it. Karma - they no longer show - I am still here. I do feel our breed behaves much better now than many, and have since met some truly amazingly wonderful people. This is just a gentle reminder to us all (myself included) that it would be lovely if we all acted supportive and "played nice" all the time.*

## **It's Not What's Wrong With Dog Showing... It's Who's Wrong! By Marlene Groves**

Dog showing is an interesting sport, or game, or as many call it, a fancy. It brings together a melting pot of people who are rather obsessed with dogs and in particular their breed and their dogs. It showcases fabulous dogs and you get to meet friends who share your crazy passion. It sure is something which can be tons of furry fun!

But then there is the other side, you know, the darker side of things; bringing out the cruel and unkind and for whatever reason this part of the fancy is gaining momentum and ugliness. Lately I keep hearing, "it is not what is wrong with dog showing, but who is wrong".

Imagine if you will a ring full of dogs and someone outside the ring, rambling off ugly comments about a dog (yours or anyone's), or adults glaring at another competitor, or some of the yelling matches we have all witnessed. This is not a fantasy world, it's a sad reality; and it really needs to stop!

So ask yourself, what to do? Most people say nothing or do nothing when they witness poor behavior, and to them I say, you know the phrase if you are not part of the solution, then you are part of the problem (yep, I think it applies).

There are Codes of Ethics in the AKC and in each Breed Club; there are Codes of Ethics in the various Professional Handlers Associations... But are they helping or being enforced? In my personal opinion, I am thinking not so much.

Now I will take this to another level, and that is when "adults" target or aim their cruelty toward our "youth"... Think it does not happen, well, think again. Then apply it to your child, your grandchild, or to yourself as a young child. We need to encourage every junior (and new person) that even tries our sport or is remotely interested. So ask yourself, are you an encourager?

Personal story number one: I was at a dog show out of my area, ringside at juniors, and there were a few "adults" tearing down an out of town "junior" (not mine). Sorry, people, but don't go there or act like that with me around. I turned to both these "adults", and said, yes this "junior" is from XYZ, as am I, and this "junior" is a fabulous handler with a fantastic dog". This stopped the conversation, or at least stopped it around me. Good Lord! Am I the only person who thinks, and knows, this is wrong!

Personal story number two: At a local fun match where a "junior" was showing and she took breed and went on to the group. An "adult" competitor was ringside haranguing the "junior" and her dog. What she did not know is that the junior's mother was in earshot. Honestly, the junior's parents nearly pulled her from this sport of dog showing that she loves as they do not want her subjected to these types of "adults" (bullies) and their ugliness.

## NEWS AND NOTES, Cont. -

Again, this is beyond ridiculous; it's completely unacceptable! But it is tolerated by the masses, including professional handlers, especially if someone has a large wallet or a top dog.

We are all told you need "thick skin" to be in this sport, but really? Why? Are we just giving these people a "free pass" to practice ugly behavior?

And then, of course, there is social media, where dog clubs, including most national breed clubs and the American Kennel Club don't think unsportsmanlike behavior in these formats is under their control or influence in essence giving people another free pass to berate and belittle someone. Hmmm, are these things not "unsportsmanlike behavior"? We all know they certainly are!

If you don't like a person, don't get involved with them. TRY to at least be neutral, and not hostile! **Another phrase comes to mind, "if you can't say anything nice, don't say anything at all".**

**If you don't like a dog, don't breed to it. Try to remember that dog is someone's pride and joy. Maybe it's their first purebred dog or first show dog. And in any conversation about any dog try my 3-2-1 method: find 3 things you like about the dog, 2 things you would change, and then 1, an overall summation. It is much kinder than a petty criticism of any dog, yours or your competitors.**

Don't like a judge, or their judging preferences, well you don't have to enter and show under him or her. But on the other hand, you might TRY to share some educational information, or point them to a good breed mentor; or even as hard as it may seem, TRY to understand their logic and/or choices.

Don't like a junior? Or maybe you feel entitled to say or do (or allow) things regardless of if it HURTS them... Sorry, this may sound harsh and I don't want it to be, because I am really a very kind person; but I am taking a stand and I say enough already, because YOU, quite possibly, are what is wrong with this sport!

I don't know what I think writing these words will do, but I can HOPE it inspires the good side in our sport start to stand up against the dark side so we can focus on the dogs, on friendship, on fun, and most importantly on helping to propel this sport to be better and better in the future. In my opinion, this means we help all newcomers, we support all juniors, and we stop the ugliness when we see it or hear it. Please don't think it does not apply to you. You are in this sport and if you want to be part of the solution (not part of the problem), stand up and be heard please!

P.S. – I wrote this article just before the 2015 Westminster Kennel Club Dog Show, and I am saddened to say what I wrote about unsportsmanlike and unprofessional behavior was clearly seen on social media during and after this fantastic show with fabulous dogs. All the dogs in the Best In Show line up were stunning and deserving! And Judge David Merriam was beyond eloquent, and we definitely need more of that in our sport!

### **THIS IS WHY DOGS NEVER DIE. THIS GUY NAILS IT.**

Some of you, particularly those who think they have recently lost a dog to “death”, don’t really understand this. I’ve had no desire to explain, but won’t be around forever and must.

Dogs never die. They don’t know how to. They get tired, and very old, and their bones hurt. Of course they don’t die. If they did they would not want to always go for a walk, even long after their old bones say:” No, no, not a good idea. Let’s not go for a walk.” Nope, dogs always want to go for a walk. They might get one step before their aging tendons collapse them into a heap on the floor, but that’s what dogs are. They walk.

It’s not that they dislike your company. On the contrary, a walk with you is all there is. Their boss, and the cacophonous symphony of odor that the world is. Cat poop, another dog’s mark, a rotting chicken bone (exultation), and you. That’s what makes their world perfect, and in a perfect world death has no place.

However, dogs get very very sleepy. That’s the thing, you see. They don’t teach you that at the fancy university where they explain about quarks, gluons, and Keynesian economics. They know so much they forget that dogs never die. It’s a shame, really. Dogs have so much to offer and people just talk a lot.

When you think your dog has died, it has just fallen asleep in your heart. And by the way, it is wagging its tail madly, you see, and that’s why your chest hurts so much and you cry all the time. Who would not cry with a happy dog wagging its tail in their chest. Ouch! Wap wap wap wap wap, that hurts. But they only wag when they wake up. That’s when they say: “Thanks Boss! Thanks for a warm place to sleep and always next to your heart, the best place.”

When they first fall asleep, they wake up all the time, and that’s why, of course, you cry all the time. Wap, wap, wap. After a while they sleep more (remember, a dog while is not a human while. You take your dog for walk; it’s a day full of adventure in an hour. Then you come home and it’s a week, well one of your days, but a week, really, before the dog gets another walk. No WONDER they love walks).

Anyway, like I was saying, they fall asleep in your heart, and when they wake up, they wag their tail. After a few dog years, they sleep for longer naps, and you would too. They were a GOOD DOG all their life, and you both know it. It gets tiring being a good dog all the time, particularly when you get old and your bones hurt and you fall on your face and don’t want to go outside to pee when it is raining but do anyway, because you are a good dog. So understand, after they have been sleeping in your heart, they will sleep longer and longer.

But don’t get fooled. They are not “dead.” There’s no such thing, really. They are sleeping in your heart, and they will wake up, usually when you’re not expecting it. It’s just who they are.

I feel sorry for people who don’t have dogs sleeping in their heart. You’ve missed so much. Excuse me, I have to go cry now.
