PRESIDENT'S MESSAGE

Happy New Year to all, can't believe it is already February, looks like another year already flying by. The new board is in place and making plans for the year. we have some ideas about beefing up the general fund and plans in place to get a lot of club business done this year. We have a good team and I look forward to working them to help make our club great. Plans for the 2017 National are coming together, stay tuned for more info in the coming Months. Also plans are being made for 2018. The board is also looking for any interested in joining committees. Please email Kathy if you would like to volunteer. If you have any ideas or suggestions please feel free to reach out to a board member. Look forward to seeing you around the ring.

Jeremy McClister
President AMTC

NOTES FROM THE NEWSLETTER EDITOR

So, two unusual things happened to me personally this last quarter. On Friday 1/20 I stopped breathing – luckily I was in the ICU at the time – or I wouldn't be typing this. I'm only mentioning it because I feel very very blessed that I had such amazing support to help me recover – and I thank each and every one of you who contacted me and prayed for me. I've had two serious health scares in the past two years.... I think it is trying to teach me not to sweat the small stuff (and you know- when it really comes down to it – it's almost *all* small stuff). Sometimes the best thing you can do is just *breathe* and count your blessings. And I do count you all, and our amazing breed, as wonderful blessings in my life.

The second thing is that I had a pup returned to me because she has Legg-Calves-Perthes. I had never had a pup returned – nor did I really know hardly anything about LCP. Many, many phone calls later I now know quite a bit – and our little Stella (and her family tree) are participating in a DNA study through Cornell University. Michelle Barlak, Regina Allen and I will be working hard to help them get funding, and hopefully develop a test like we now have for JCM. If you have an animal that has LCP, and would like to participate in the DNA study, please contact me so I can put you in touch with the researchers. Also, don't miss Regina's informative article on LCP in this issue.

Have a paw-some winter!

REPORTS FROM THE SECRETARY

American Manchester Terrier Club January 25, 2017 Teleconference Board Meeting

President, Jeremy McClister brought the January teleconference meeting to order at 7:43 p.m. CST. Present: Jeremy McClister, Roberta Berman, Kathy Nissen, Sherrie Brock, Beverly Leidner, Ellen Murtagh, Sue Thrasher. Absent: Dianna Texter, Christina Caridis.

Minutes of the December 7, 2016 board meeting were provided via email for board review prior to this meeting. Sue Thrasher made a motion to approve the December 7, 2016 Board Meeting minutes. 2nd by Roberta Berman. All in favor, motion carried.

Jeremy noted our 2017 AMTC National will be held during the AKC/Royal Canin event in December. Recently, the board was made aware there might be some question as to whether breed specialties would be held during this venue which put this location in question, however, Show Chair, Carolyn Horowitz, has now been given the go ahead to continue planning our upcoming National event.

Our 2018 National will be held in Lexington, KY during Labor Day weekend. More information in future newsletters.

The AKC contacted President, Jeremy McClister, requesting the possibility having a member with standard Manchesters who is actively involved in all aspects of the purebred dog world - breeding, exhibiting in conformation, performance, etc. for an informational breed video for their website. The board is compiling a list of members for consideration.

A motion was made by Sherrie Brock: Due to the sensitivity of personal information contained within the AKC Awards as provided by the AKC to one board member (Roberta Berman) by paid subscription utilized for compiling breed awards for accomplishments of Manchester terriers, the information will not, currently or in the future, be distributed to any club member. Motion 2nd by Sue Thrasher. All in favor, motion carried. (It was noted this information – with the sensitive information removed - has always been made available by Roberta for distribution at our yearly National events and may be requested if not in attendance.)

With expenses rising for publishing/ mailing the club newsletter it was discussed that those members wishing to receive hard copy pay a subscription fee. The fee would be \$15/year, however, since the February issue is due to be published shortly, a prorated subscription price of \$12 will be the cost for the remaining 2017 issues. This does not apply to those members who do not have access to email or a computer. The website will be updated for receiving the newsletter via email, web view or hard copy subscription. Motion to institute a subscription fee for hard copy club newsletter at the cost of \$15 per year beginning 2018 and \$12 prorated for 2017 made by Sue Thrasher, 2nd by Sherrie Brock. All in favor. Motion carried.

District 2 is still in need of a Governor. If you reside in this district, please consider volunteering for this position.

REPORTS FROM THE SECRETARY, Cont.

Information pertaining to the AKC Outstanding Sportsmanship Award, formerly known as Good Sportsmanship Award, will be published in a future newsletter. In the meantime, please begin thinking of a club member you feel would be a good candidate to receive this award.

According to the Club's By Laws Article 1 Section 2. "DUES: Membership dues shall be set by the Board of Directors and shall become payable on or before the first day of January of each year...." The AMTC has not had an increase in membership dues for several years. Our General Fund operates mainly from payment of membership dues and donations marked for same. In order to avoid possible low GF balances in the future, a motion was made by Sue Thrasher to raise single and family membership dues by \$5.00 effective for 2018 dues payments. Motion 2nd by Bev Leidner. All in favor. Motion carried. Dues for Single membership in the AMTC will now be \$35/year and \$40 for Family membership per year effective upon payment of 2018 membership dues.

Newsletter Editor, Cheryl Roach, would like to be included in board discussion involving the Club newsletter. Secretary, Kathy Nissen, will contact Cheryl prior to each board meeting asking if there would be anything she feels needs discussed and arrangements will be made for her to join in the teleconference board meeting during that discussion.

Bev Leidner and Kathy Nissen, Secretary will begin working to update the Club's Standing Rules. No further business. Motion to adjourn by Sue Thrasher, 2nd by Bev Leidner. All in favor. Motion to adjourn carried. Meeting adjourned 8:34 p.m. CST.

Respectfully Submitted,
Kathy Nissen, AMTC Sec'y

AMTC Board Meeting Minutes – December 7, 2016

The December meeting of the AMTC Board of Directors was brought to order at 7:36 CST by President, Jeremy McClister. This was a combined meeting of the outgoing and incoming board members. Those in attendance: Jeremy McClister, Roberta Berman, Christina Caridis, Kathy Nissen, Dianna Texter, Bev Leidner, Ellen Murtagh, Sherrie Brock, Susan Thrasher. Absent: Lisa Nonog.

Since there was no meeting in November, there were no minutes recorded. Minutes from the October 2016 Board meeting – motion to approve as drafted: 1st by Bev Leidner 2nd by Sherrie Brock. Motion carried, October 2016 Board Minutes approve.

President's Report: Requested a copy of the club's Standing Rules for updating in Word format. No other information to report. Bev and Kathy will work on updating SR.

Secretary's Report: October minutes read via board email previous to December meeting. Requests from Renae Blankenship, on behalf of Taylor Blankenship-Junior, for stipend for Westminster and AKC/Royal Canin events. Also a request from Junior Justin Shook. The board agreed only one event would be considered for the stipend and paid upon presentation of a receipt for expenses for attendance. The board, upon presentation of receipt, agreed to issuing a stipend for Taylor and Justin.

Treasurer's Report: Dianna noted Lani Miner had sent a request for reimbursement for trophies, however, the receipt had been misplaced. Lani has provided comparable cost information pertaining to

REPORTS FROM THE SECRETARY, Cont.

these trophies. Motion made by Dianna to reimburse Lani Miner for trophy expenses, 2nd by Roberta. Motion carried.

Discussion regarding the possibility of allowing 10% of funds from each of the club's dedicated fund accounts be moved to the General Fund should this account reach a point of inability to pay club expenses. Once the club's General Fund is able to do so, monies transferred from dedicated accounts would be replaced. Motion by Dianna to allow 10% of funds from club's dedicated accounts be moved to General Fund to pay club expenses and to reimburse when General Fund is able to do so. 2nd by Roberta. Roll call for vote: Christina, Roberta, Kathy, Sherrie, Dianna, Sue and Ellen – yay. Bev – nay. Motion carried.

Committee Reports – none

Club Business:

2017 National – no updates

Membership pertaining to Trina and Adrian Taylor Ghione – as previously noted in the minutes published in the November newsletter, Trina's membership request for reinstatement was approved by the board due to previous Treasurer's error, however, it was noted that Adrian had also been listed on the application. Kathy will email Adrian and request he fill out a form for membership.

Due to the increasing cost of printing and mailing the club's newsletter, the board discussed the possibility of providing the newsletter electronically with hard copy being subscribed to for a fee. The board will take into consideration those members who do not have access to electronic receipt of the newsletter and they would not be asked to pay for a subscription. This matter will be discussed further at the January board meeting.

The board is also considering raising the dues for club membership. Our dues have not been raised for several years and with costs rising for insurance, show fees, national expenses, mailing expenses, etc., it was felt this needs to be done. This matter will also be discussed at the January board meeting.

A member has requested a copy of the AKC AWARDS information be provided to them. After much discussion and due to the sensitivity of the entrants' personal information contained therein, the board decided we cannot do so. The AKC provides a copy, by paid subscription and contract, to one club officer only (Roberta Berman). It is not and has not been for many years, general practice of the club to provide this information to an individual club member other than the information which is provided via the newsletter. A summary of the breed Awards is compiled by Roberta for distribution at our yearly AGM. It is also available by written request if not in attendance.

Motion to Adjourn: Dianna 2nd Roberta

Meeting Adjourned 8:42 p.m. CST

Respectfully,

Kathy Nissen
AMTC Secretary

WELCOME NEW MEMBERS, Cont.

AMTC
c/o Kathy Nissen

Dear Kathy,

Thank you for considering us for membership in the American Manchester Terrier Club. Just a little background on our history with the breed: my husband, Richard, and I have been proudly owned by Manchesters since 1997. Richard had a toy Manchester when he was a boy, so when we decided to get a dog, settling on a breed was an easy choice. We contacted Pat Dresser, of Dress Circle Kennels in Medina, Ohio and talked with her about what we were looking for. We wanted an adult dog and didn't plan to breed him, so Pat brought a male toy Manchester to the Mid-Ohio Cluster dog show and we took him home with us that weekend. He'd just finished his championship, and OSU won the Big 10 championship, so that was what he named him: Champ.

I told Richard that Champ could have the run of the house but he was not to sleep on the bed with us. That lasted exactly one day, as I stayed home from work because I was sick that Monday. When Richard got home from work, he saw Champ peeking his head out from under the comforter. Champ had curled up next to me and I didn't have the heart to make him get down. I've been obsessed with this amazing breed since then. Now, 20 years and 7 dogs later, we're just as much in love with them as we've ever been.

We adopted a second dog from Pat, a female that we named Pele. She was a leggy toy Manchester, not good for the show ring or breeding, but she was an awesome pet. Champ and Pele got along great, and we decided as Champ aged that we wanted a third dog, so we adopted a standard from a local family who had gotten a dog from Pat, but who couldn't keep him because the father was terribly allergic. Guinness had some behavioral problems, but he was super smart and we eventually worked through those. Champ and Pele lived to age 15, and Guinness lived to age 17.

We now are owned by Hyde, a Standard Manchester from Tina Sanford's kennels. We also have three of his grandpups: littermates Arya and Cooper, and Dori, from a later litter. All are from Chosen at Tara kennels. We have a great relationship with Tanya and Joelle Kaminski, and we keep in touch with them about our pups. We also have a great relationship with our vet, and she's educated herself about Manchesters and illnesses that they are prone to. We keep health insurance on them as well, because being terriers; we want to make sure that we can afford to care for them in a critical situation. We do not plan to become breeders at any point- we're just devoted owners.

We love this breed, and want to be a part of supporting the club. We would really appreciate your support of our request to join the club. Thank you so much.

HEALTH REPORT

What is Legg-Calve-Perthes Disease? By Regina R. Allen DVM

Legg-Calve-Perthes Disease, also known as LCP or Ischemic Femoral Head Necrosis, is hip joint disorder that occurs in both humans and dogs. It is sometimes called “hip dysplasia of little dogs,” but this is a misnomer, as the two disorders have nothing in common in how they occur.

The hip is a simple ball and socket joint. In normal hips, the femoral head (ball) fits snugly in the acetabulum (socket), without visible space between them (Figure 1). LCP is caused by interruption of the blood supply to the femoral head, causing avascular necrosis, or death of bone cells (Figure 2). Infection is not involved.

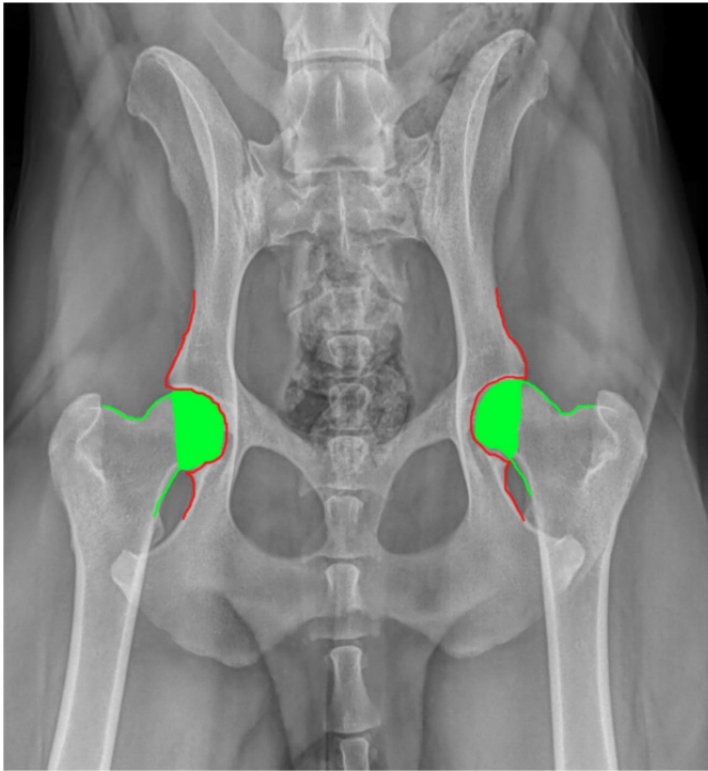

Figure 1. Normal dog hips. The acetabulum is outlined in red, while the femoral heads are green.

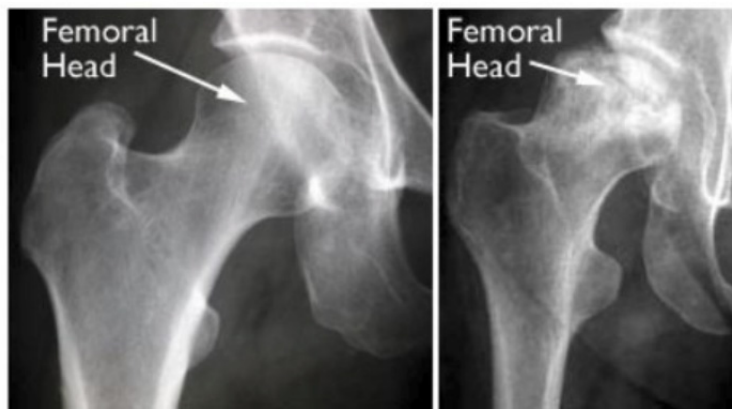

Figure 2. Normal and Abnormal dog hip.

In the left photo, the femoral head is normal.

In the right photo, note the moth-eaten appearance of the bone.

HEALTH REPORT, Cont.

This is the previously-mentioned necrosis that occurs with LCP.

Symptoms of Legg-Calve-Perthes typically appear in Miniature and Toy breeds between four months and one year of age, with a peak incidence at about seven months. Affected dogs display stiffness, lameness, and pain on extension in the affected leg. The condition is usually present in one leg only. These symptoms occur as bone cells die due to interrupted blood supply, then resume their blood supply and remodel the femoral head, creating an irregular fit in the acetabulum. Eventually, the femoral head collapses, causing shortening of the affected leg, significant pain, and obvious lameness.

Treatment can be conservative or surgical. Conservative treatment consists of four to six months of strict crate rest, with leash walks only to potty. Conservative treatment is only successful if there is no remodeling or collapse of the femoral head, and the confinement protocol is strictly adhered to.

If conservative treatment fails or the owner is unable to comply with strict rest or there is femoral head remodeling or collapse, then surgical treatment is indicated. Surgery involves removal of the diseased femoral head, creating a "false joint," which relieves the pain. The small size of the patient enables the dog to walk with a normal or nearly normal (shortened stride) gait.

If left untreated, dogs with LCP will have significant muscle atrophy, osteoarthritis, and become severely crippled and painful. Anti-inflammatory pain medications such as Rimadyl, Metacam, or Deramaxx are indicated to help relieve pain and improve function. 3

Legg-Calves-Perthes (LCP) is not caused by trauma, and is believed to be genetic, although the exact mode of inheritance is not known. The Manchester Terrier is considered an "at risk" breed by the Orthopedic Foundation for Animals (OFA). Additionally, the OFA recommends not breeding dogs affected with LCP.

OUTSTANDING SPORTSMANSHIP AWARD

The American Kennel Club issues the Outstanding Sportsmanship Award to clubs to award to the individual in the club who deserves special recognition for having contributed to the club and to the breed. This award was formerly known as our Good Sportsmanship Award. It is now time for us to choose the member who best exemplifies good sportsmanship to the world.

When making your nomination, please consider the following criteria:

1. The nominee must be and have been a member in good standing for at least seven years.
2. The nominee has to have been an active exhibitor either in breed and/or performance/companion events in the past, if circumstances do not allow for doing so in the present for an extended period of time.
3. The nominee must be an active, contributing member of the AMTC, and have been willing to help whenever needed at any AMTC District event.
4. The nominee has to have demonstrated those aspects of good sportsmanship which we all admire and aspire to emulate.
5. The nominee represents to the public the best aspects of our breed and our sport. Is willing to give time to new people coming into our breed and the general public and to educate them about our dogs whenever possible.

Since our Nationals will be in December in 2017 we will need your nominations before June.

Therefore, please either mail them to me or e-mail them to me before June 30 with brief biographies of the nominee and your reasons for believing he/she is deserving of this honor. A committee appointed by the Board will review all nominations and determine who the winner for 2016 will be. The award will be presented at our Nationals at the annual banquet.

Thank you.

2nd-Vice President

NEWS AND NOTES

Editor's Recurring Notes: If you want to receive a hard copy (or "snail mail" copy) of the newsletter please email me your name and address to cjroach6@gmail.com or send me a letter with your name and address to - Cheryl Roach, 817 Plainview Drive, Dandridge, TN 37725. Snail mail (or email) is actually much better because then I have a written record. I put these all on my desk in a pile until I work on the newsletter so you will not hear from me right away.
The next Newsletter will come out in May 2017 (deadline April 28th).

EVERYONE is welcome and invited to contribute to the newsletter – it is only as good as you make it!

ADDITIONALLY - Please note that at the very back of the newsletter there are several forms which need to be emailed or snail mailed back (membership renewal, volunteer form, ATC stud form) that may interest you. You now can also renew on line with Pal Pal!

Hello, we just found out our 15 year old Xena [the warrior princess] has terminal cancer so we will soon have to make certain sad decisions. I have had 3 toy manchesters in my life and absolutely love the breed so I am putting out feelers for puppies near Kansas. We have a lovely home on 10 acres just west of Wichita, are in our late 50s and semi-retired. I won't ship a puppy so we are looking for someone within a decent drive of Wichita and Tennessee is a bit of a trip, but doable. We would even consider a young adult that needs a good home too.

let us know,
Garth and Terri McGinn

*25 USES FOR A MANCHESTER

1. Foot Warmer in Bed. Takes one Standard or two Toys.
2. Non-Toxic Spill Clean Up (e.g., Rice Krispies). Takes one Standard or one Toy; more than one of each can cause a toxic spill (i.e., blood).
3. Vermin Control. Good for eradicating mice, rats, insects, snakes and anything perceived as such—squeaky toys, fleecy slippers, anything furry.
4. Sentry Duty Outside. Warn of impending danger from squirrels, dogs, cats, birds, people, wind blowing.
5. Sentry Duty Inside. Takes just one of either variety; add more for additional volume. Function activation is a cross between a motion detector and a clapper.
6. Duster. Put sweater on Manchester and toss one kibble at a time under bed until entire area has been covered by kibble-starved dog. Remove and replace with clean sweater; repeat if really dusty.
7. Lost Item Finder. Underwear and socks even if you haven't lost them; food of any kind; small dead things.
8. Personal Trainer. Exercise provided by chasing after Manchester to retrieve underwear, socks, your food; chasing down and wrestling with dog to prevent ingestion of small dead things.
9. Hunter. Will track down lost piece of kibble in a 40-acre field; cats;

the softest and warmest place to sleep.

10. Conversation Piece. Explain to strangers when out with dog that he is not a miniature Doberman, a Min Pin, or a Rottweiler puppy.

11. Food Tester. Will eagerly sample all types of food for edibility, any time, any place, for as long as you allow.

12. Hiking Partner. Fits into a backpack for the walk home after taking 20 steps for every one of yours on the hike out.

13. Tour Guide. Acquaints you with your neighborhood—which house has dogs or cats, which tree has squirrels or cats, which car has a cat hiding under it.

14. Companion. Close and snuggly, especially when you are eating or the temperature is below 75 degrees.

15. Therapy Dog. Good to cry on, as short, smooth, glossy coat dries easily. Small enough to be picked up and held, even if he resists.

16. Personal Protector. Will permit no other dogs near you if in your lap, your arms, or if you have food.

17. Lure Courser. Zero to kitty in 60 seconds.

18. Obedience Trainer. Will teach you how, on a single command, to share your food, give up your spot on the sofa, and stand by the back door opening and closing it for up to five minutes.

19. Agility Competitor. Can get over the baby gate, out the front door, clear the steps with one bound, and rid the yard of paperboy or postman.

20. Gardener. Turns the earth in creative places, makes holes for new plants, eats insect pests, supplies fertilizer.

21. Playmate. Bringing out nail clippers or grinder begins a game of hide-and-seek. A good rainy-day activity.

22. Smoke Detector. Can detect minute traces of backyard barbecue anywhere in the neighborhood, dinner cooking, you trying to sneak a snack in the microwave.

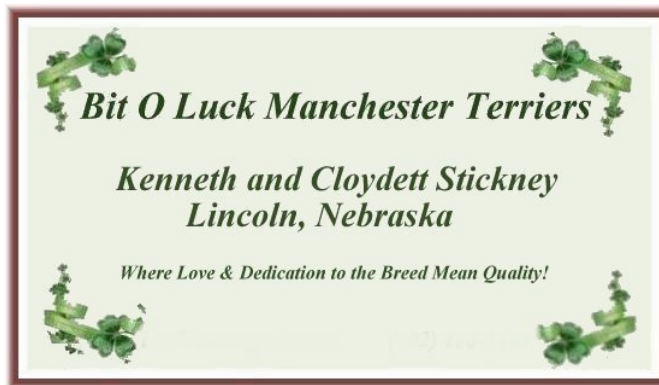

23. Weather Forecaster. Refuses to go out: One or more drops of rain are falling. Goes out and doesn't return: Sun is shining. Insists on sitting on your lap: Temperature is below 75 degrees.

24. Collector. Keeps eclectic cache in cuddle bed—gnarly roll of toilet paper, former tube of anchovy paste, dead mouse.

25. Thing of Beauty. Always.

January 24, 2017, the Manchester terrier community lost one of the most dedicated, loving and caring persons ever involved with the breed. Cloydett Stickney peacefully passed away to join her husband, Kenny who passed away July 1, 2012, and the many Manchesters that passed before them. Ken and Cj, as she was affectionately known, were Bit O Luck Manchesters...a prefix well known to many long time Manchester fanciers and in many many Manchester pedigrees. Few Manchester fanciers are aware of how their involvement with the breed began and it truly was a "bit o luck"

Many many years ago, a beautiful cold, hungry, shivering sweet dog was found outside just a little "bit" from their home in Walton, Nebraska. They took him in to their home. They didn't recognize what breed he was way back then although knew he was a purebred. They did some research and contacted long time Manchester terrier breeder, Ruth Guthrie, who immediately recognized his ear crop. After tracing him back to his original breeder in Washington, it was found he had been sold to someone who couldn't keep him and was given to a relative who also ended up placing him and again he was given away to someone who had mistreated him. He ran away and was "lucky" enough to be found near their home. He soon became a much loved member of their family. This sweet dog won their hearts and they fell in love with the breed. This cold hungry dog went on to become Brandyman's Mr. Pibbs (with a Terrier Group 2 & 3 to his credit) and the foundation of Bit O Luck. Soon after, (Ch.) Whiteoak Lady Diane (CD) - bred by Ruth Guthrie - joined their family. Brandyman and Whiteoak prefixes go back many years and later on, Ruth sent Whiteoak Khamir Le Baron to Ken and Cj's family of black and tans. If one were to hazard a guess, many of the dogs you own/owned over the years very well may have Bit O Luck somewhere in their pedigree. Many of their dogs are listed in our AMTC Hall of Fame and many of the dogs they placed have achieved great accomplishments in the show and performance rings in the States and Canada.

Both Ken and CJ became involved in showing in conformation and obedience and eventually, after a great deal of research into the breed and a great deal of thought and consideration pertaining to what is involved, breeding. In 1981, they joined the American Manchester Terrier Club and attended almost every National event until Kenny's death. Ken also served on the AMTC Board of Directors and Ethics Committee at one time. They were also very active members in the Cornhusker Kennel Club where they met and became good friends with Lourene Wishert (Lilac Farms, Bennett, Nebraska) who bred and showed toys, as well as a brace in the 1940s. Eventually, it was time to infuse new lines into theirs so they acquired Shal Mar's Salulaire Stil In-Flite (Derek) and Shal Mar's Bit O Luck Khaptain K (Snickers) from Gerrie Hart.

Ken and Cj never knew a stranger. They were always willing to lend a helping hand or answer questions from anyone whether new to the breed or long time fanciers. One of their favorite things to do whenever there was a national, district specialty or all breed show in the area, was to invite everyone to their home for a potluck meal and good old fashioned country hospitality. Those gatherings were always a good time and enjoyed by those who came.

When Cj was no longer able to remain home with her beloved manchesters after falling and breaking her hip, their last two, Ch. Bit O Luck's Close E'Nuf (Annette) and Bit O Luck Shyann, spent the rest of their lives warming my heart and lap in my home. To my knowledge, there are no longer any true Bit O Luck bred dogs living today but all those that have passed are now reunited with their beloved Ken and Cj. There are, however, a few remaining that have a true Bit O Luck sire or dam.

Ken and Cj's love and knowledge of, devotion, and contribution to the breed and the manchester community will be greatly missed.

~The Dogs of Hidden Hill Distinction~

and their Breeder, Owner, Handler Jeanne Dalesky

by Jo Ann Emrick

Editor's note: I had several people tell me they had not seen Jeanne's info or information about the Hidden Hills dogs in the November issue so I am running more info in this issue.

In Memorium, Cont.

AMTC member Jeanne Dalesky left us August 25, 2016 to join the others that have preceded her in death, to the Big Showing up above.

Jeanne was a long time member of the AMTC and wore different Badges throughout the years. She will long be remembered as a hard worker, extraordinary mentor and her never ending love and knowledge of our breed, the Manchester Terrier.

Jeanne's involvement in the breed came early, as her mother was a breeder of Toy Manchester Terriers.

Starting her Standard line with a dog Ruth Turner entrusted to her, was CH. Classey Chip Of Chatham. Chip went on to sire 16 Champions. Jeanne proudly bred her Toy and Standard lines under the legendary Hidden Hill prefix.

Perhaps the most important dog Jeanne produced was CH. Hidden Hill's Tic-Tac CDX, owned by Sue Moody of Invermood fame. Tic-Tac sired 17 champions, several of whom also had back end titles.

The best producing of her Toys was CH. Hidden Hill Hardly Here with 12 champions.

Jeanne's other big producers were CH. Hidden Hill's Hallmark CD with 9 champions and CH. Hidden Hill's Bartley of Do-Bain CD with 6 champions plus two Utility Dog Titles.

So, list of the most prominent dogs of Jeanne's that highly influenced the breed throughout the years are as follows:

CH. Classey Chip of Chatham CD HOF ROM – 16 titled get (S)

CH. Hidden Hill's Tic-Tac CDX HOF ROM – 17 titled get (S)

CH. Hidden Hill's Hardly Here HOF ROM – 12 titled get (T)

CH. Hidden Hill's Hallmark CD HOF ROM – 9 titled get (S)

Jeanne's Hidden Hill Manchester Terriers were no stranger when it came to HOF and ROM dogs. There were many with 4 get to their credit. Listed here are only the seriously big boys!

Also, Jeanne had many dogs with both front and back end titles who might not have been big producers, however, certainly did add to the glory and luster of the breed simply because of their accomplishments!

Hats off to you my friend and mentor, until we meet again. We will never forget "our" Jeanne Dalesky. God's Speed.

*Many thanks to our Statistician, Roberta Berman with her record keeping on our Manchesters!!

Editor's Note: Peter Rank also passed away this past quarter. If someone has a good memorial on this wonderful friend of the breed, please send it to me at cjroach6@gmail.com for publication in the next issue.

I have requested from my club access to the _____ breed portion of the American Kennel Club Stud Book Register (“AKC Stud Book”) for a period of _____ month(s), and in any event not for a period of time to exceed one year. If thereafter I desire to continue to receive the AKC Stud Book, I agree to make another request and execute and deliver another Certification in the form then provided by AKC before receiving the AKC Stud Book. As a condition of use of the AKC Stud Book, I certify that I will use the AKC Stud Book for noncommercial research or scholarship purposes only; that I will not make or allow to be made any commercial, for profit, business or marketing use of the AKC Stud Book or any information from the AKC Stud Book; and that I will not, and will not allow others to, sell, trade, share, distribute, make available, make copies of, or publish in any form whatsoever specifically including, but not limited to, any electronic, email or “online” form, the AKC Stud Book or any information from the AKC Stud Book without the prior, written consent of AKC. I acknowledge that AKC is the owner of the AKC Stud Book and that I claim no rights in and to the AKC Stud Book or to any information contained therein. I further agree to credit AKC on works using the AKC Stud Book pursuant to the terms of this Certification in the following format: “Source: The American Kennel Club. Used with permission.”

I understand that AKC makes no express or implied warranties or representations with respect to the AKC Stud Book. The information is provided “AS IS,” with no warranties of any kind, express or implied. In addition, I understand that AKC makes no representation that the electronic transmission of the AKC Stud Book will be uninterrupted or error-free, and AKC will not be liable for the consequences of any interruptions or errors.

I understand and agree that AKC shall not be liable for indirect, special or consequential damages, or any loss of revenue, profits or data arising in connection with this Certification or the AKC Stud Book. I agree to indemnify the AKC, its officers, directors and employees for any loss, damage, claim or expense arising out of or related to my breach of the provisions of this Certification.

I understand that my breach of this Certification shall result in immediate and irreparable damage to AKC. I also understand that money damages may not be an adequate remedy for such breach. Accordingly, in such event, I agree that

AKC shall be entitled to injunctive relief to enforce or prevent any violation or threatened violation of this Certification. I agree that such remedy shall be in addition to and not exclusive of any other remedy available to AKC at law or in equity.

I understand and agree that any cause of action, controversy or claim arising out of or related to this Certification or as to the construction, interpretation and effect of this Certification shall be settled by arbitration pursuant to the applicable rules of the American Arbitration Association, except that equitable relief may be sought from any court of competent jurisdiction. The place of arbitration shall be New York, New York. The laws of the State of New York, without regard to provisions regarding conflicts of law, shall apply.

I understand and agree that once submitted, this Certification becomes the property of AKC. I further understand and agree that my receipt of the AKC Stud Book is not guaranteed, may be revoked at any time if given, and is subject to AKC's sole discretion. I understand and agree that any error, omission or misrepresentation of this Certification may result in the cancellation of access to the AKC Stud Book, and/or the loss of AKC privileges.
