## **PRESIDENT'S MESSAGE**

Hello everyone, hope this finds all of you in good spirits and good cheer in getting ready for the upcoming Holidays. It has been a busy and fun year for us as a board. We got a lot accomplished and have a lot on the table to get done in the coming year.

The upcoming membership renewals are upon us and I would like to take a moment to remind everyone to take advantage of renewing on line. The AMTC website is very user friendly and you will receive an email to remind you to renew. All you have to do is follow the link and renew electronically using Pay Pal. This makes the process very easy for our treasurer as it updates your membership status and creates a spreadsheet for her to track everything.

Also there is a bunch of info on the website and pictures but we could always use more. If you have in your possession any good articles on our breed and think they would make great additions to the site please send them to us. The website will be only as good as we make it. So with that I would like to wish everyone a Happy Thanksgiving, a Merry Christmas, and healthy and prosperous New Year.

Jeremy McClister  
President AMTC

## **NOTES FROM THE NEWSLETTER EDITOR**

Wow – this year has gone by fast! This end of the year issue is extra special because it is the “National” issue (affectionately known in our house as the “beast”) – and I am going to apologize right up front. I thankfully received the disk of show pictures from the Tonini family (bless you!) and all 35 pictures are included within (plus many many more!). However, since they do not come labeled (“put me in first!”), they may not be 100% in the correct show order. Now I know this is an international dog fancier’s publication, and they should be perfect, but frankly my tail quit wagging and started dragging about picture 22 on (prior to editing) then page 218. If someone would like to organize them for me next year, please let me know, as I would be absolutely delighted to delegate this. But this year, please please please humbly accept my very sincere apologies for any errors (and for receiving this in December!). All that being said, I hope enjoy this issue and have truly paw-some holidays full of yummy treats =)

### **AMTC October 26, 2016 Board Meeting Minutes**

The teleconference board meeting was brought to order by President Jeremy McClister at 7:40 p.m. CDT.

Present: Pres, Jeremy McClister, 1<sup>st</sup> VP, Lisa Nonog, 2<sup>nd</sup> VP, Roberta Berman, Sec'y Kathy Nissen, Board members present: Ellen Murtagh, Betty Hodges, Sue Thrasher. Absent: Dianna Texter, Beverly Leidner.

September 28, 2016 Board meeting minutes read. Motion to approve: Susan Thrasher 2<sup>nd</sup> by Roberta Berman. All in favor, motion carried.

It was noted by President Jeremy McClister that the 2017 Dues Renewal Notice needs to be included in the November issue of the newsletter. A notice will also be sent out via the club's website with a note

## **REPORTS FROM THE SECRETARY, Cont.**

stating to make sure to use the Dues Payment tab and not the Donation tab. PLEASE make sure your dues are paid in a timely manner prior to the deadline of March 1<sup>st</sup> so the 2017 Directory can make it out on time.

The board received a request for membership reinstatement from Trina Taylor Ghione due to an error during a previous Treasurer's term. Trina did send in her dues payment but it was not recorded, therefore, as noted in our By Laws, Article 1 Section 5: "Lapsed memberships exceeding two(2) years, terminated by delinquent dues payment, may be reviewed by the Board, upon written request by the former Club member who was otherwise in good standing at the time of his termination of membership, in lieu of the usual new member application procedure, as outlined above. If the board, by a majority vote, approves the applicant's request, the applicant shall be assessed a fee of \$10 per person, in addition to the annual membership dues." As noted above, Trina had paid her dues to renew her membership and the check was not recorded as having been received thereby, causing her membership to lapse. The board agreed to consider that payment as accepted for 2017. Motion to approve Trina's request for reinstatement of membership and accept previous dues payment for the 2017 calendar year made by Roberta Berman, 2<sup>nd</sup> by Susan Thrasher. All in favor, motion carried.

A motion to add the following to the HOF Point Schedule: Reserve Best in Show – 75 points and Reserve OH Best in Show – 50 points both retroactive to January 2016 was made by Susan Thrasher, 2<sup>nd</sup> by Kathy Nissen. All in favor, motion carried.

\*\*The board has been discussing the possibility of reorganizing the club's districts and would like the club members' input. Since our districts are noted in our By Laws, this would be a membership discussion/decision/vote down the road that would then need AKC approval. The reason this has come to light is due to the fact that several districts have very few members and perhaps combining the club's districts into possibly Eastern, Midwestern and Western districts would make it easier for these three areas where membership numbers and holding National and District Specialties are concerned. This is your club and the board would like to get your input so please give this some thought and send your ideas to the board. It does not have to be three districts but we would like to keep it workable for holding our National and District Specialties and other events.

Motion to adjourn: Betty Hodges 2<sup>nd</sup> Sue Thrasher. All in favor. Motion to adjourn carried at 8:20 pm CDT.

Next meeting: December 28, 2016. If you have items you wish to place before the board, please send them to me for the agenda.

Respectfully Submitted  
Kathy Nissen  
American Manchester Terrier Club Secretary

## **HEALTH REPORT**

### **Dominance-Based Training Methods ... Debunked!**

*Regina R. Allen DVM*

For decades, traditional animal training relied on dominance theory. We assumed that animals (dogs in particular) misbehaved primarily because they were striving for higher rank. This idea often lead trainers to believe force or coercion must be used to modify undesirable behaviors. Dominance defined – a relationship between individual animals established by force/aggression and submission, and determines who has priority access to multiple resources such as food, preferred resting spots, and mates. This relationship does not exist until an individual consistently submits or defers. Additionally, priority access exists primarily when more the dominant individual is present to guard the resources.

In our relationship with pets, priority access to resources is not major concern. The majority of behaviors owners want to modify (excessive vocalization, unruly greetings, and failure to come when called) are not related to valued resources. These behaviors occur because they have been inadvertently rewarded and alternate appropriate behaviors have not been trained. What owners really want is not to gain dominance, but to obtain the ability to influence their pets to perform behaviors willingly (**leadership**).

Even in the relatively few cases where aggression is related to rank, applying animal social theory and mimicking how animals respond causes problems. First, use of punishment suppresses aggression without addressing the underlying cause. Fear and anxiety are common causes of aggression and other behavior problems, including those that mimic resource guarding, and the use of punishment can directly exacerbate the problem by increasing animal's fear or anxiety. Second, it fails to recognize that with wild animals, dominance-submissive relationships are reinforced through warning postures and ritualistic dominance and submissive displays. If the relationship is stable, then the submissive animal defers automatically to the dominant individual.

People who rely on dominance theory to train their dogs need to regularly threaten them with aggressive displays or repeatedly use physical force. Dogs subjected to threats or force may not offer submissive behaviors. Instead, they may react with aggression, not because they are trying to be dominant, but because the human threatening them makes them afraid. The use of dominance theory to try to understand human-animal interactions leads to an **antagonistic relationship** between owners and their dogs.

The American Veterinary Society of Animal Behavior emphasizes that behavior modification and training should focus on:

- Reinforcing desirable behaviors
- Avoiding the reinforcement of undesirable behaviors
- Addressing the underlying emotional state and motivations, including medical and genetic factors, driving the undesirable behavior

**Leadership** is established when the owner consistently sets clear limits for behavior and effectively communicates the rules by immediately rewarding the correct behaviors and preventing access to or removing the rewards for undesirable behaviors before these undesirable behaviors are reinforced. Avoid reinforcing undesirable behaviors, and reinforce desirable behaviors frequently enough and consistently enough for the good behaviors to become a habit!

#### **But Wait – Aren't dogs related closely enough to wolves that we should treat them as such?**

The best model for understanding domestic dogs is domestic dogs themselves. Dogs diverged significantly from wolves in the last 15,000 years. They evolved as scavengers rather than hunters. Those who were the least fearful were best able to survive off the trash and waste of humans and reproduce in this environment. Currently, free-roaming (feral) dogs live in small groups rather than cohesive packs, and in some cases spend much of their time alone.

## HEALTH REPORT, Cont.

**If you think a dog is dominant, shouldn't you roll him on his back in an "alpha roll" and growl in his face because that's what an alpha wolf would do?** Only if you want to get bitten! In a pack of wolves, higher-ranking wolves do not roll lower-ranking wolves on their backs. Lower-ranking wolves show their subordinate status by **offering** to roll on their backs. This submissive roll is a sign of deference or appeasement.

The most common cause of aggression in dogs is **fear**. Pinning a dog down when he is scared will not address the root of his fear, and can heighten the aggression. Confrontational techniques such as hitting or kicking the dog for undesirable behavior, growling at the dog, performing an "alpha roll," staring the dog down, and enforcing a "dominance down" frequently elicit an aggressive response from the dog **because you are heightening the fear!**

Instead of causing fear and tension in your relationship with your dog when trying to eliminate undesirable behaviors, consider the following method instead.

Three-Step Process for Fixing Any Undesirable Behavior:

- 1) Visualize the behavior you **do** want (ex. Sitting politely for greeting and petting)
- 2) Prevent dog from being reinforced for the behavior you **don't** want (Appropriate management to intercede before dog jumps up on guests)
- 3) Generously and consistently reinforce the behavior you **do** want (Don't overlook good behavior!)

Rather than waiting until the undesirable behavior has already occurred and is being reinforced (dog is jumping up on guests and they are paying attention to him), proactively train the desired behavior (teach sitting quietly for petting) in a lower-excitement situation. Then, manage the dog to prevent the undesirable behavior (dog in crate or tethered to prevent jumping) until the excitement has passed before putting your training to the test (having the dog sit for petting and rewards). Set your dog up for success, not failure!

Rather than attempting to bully your dog into doing or not doing a specific behavior, train with your head and think about steps to take to achieve the behavior you want. Understand that your dog is an intelligent creature, and will do what is in his best interest. If he wants attention, don't let him earn it by barking or jumping up. Ask that he sit politely instead, reward the calm behavior, and let it become a behavior that he repeats out of habit when he wants attention.

The University of Minnesota Canine Genetics Lab recently provided updated statistics about the prevalence of Juvenile Dilated Cardiomyopathy (JDCM) in the breed, based on dogs that have been tested:

#### North America

Tested: 165

Affected: 1 (0.6%)

Carrier: 39 (23.6%)

Clear: 125 (75.8%)

#### International

Tested: 126

Affected: 1 (0.8%)

Carrier: 36 (28.6%)

Clear: 89 (70.6%)

In addition, the research team at U of M reported that the 25 Standard Manchester Terriers who have been tested for xanthinuria and JDCM have been clear for both. These samples were collected at the recent AMTC National. It's important to note that the selected dogs did not have any Toy ancestors in their recent background. It should not be presumed that Standards are not affected by these diseases. The test population is too small to draw any conclusions. For more information visit <http://www.canadamt.com/jcm-research.html>

I received a good question from a breeder about heart testing. I'm going to include the question and my answer here so that others can learn from it. I'm always happy to answer questions about health testing.

## **HEALTH REPORT, Cont.**

Question: Michelle, I have a question for you. I have had my male Toy Manchester tested for many things, two of which are the JDCM and the Xanthinuria. The question is: if I am testing DNA for cardio do I still need to do cardio testing through actual ultrasound? Would CHIC require it as warranted by our club? Thanks.

Answer: That's a good question. The test for JDCM only tells you if your dog carries the mutation for Juvenile Cardio. It does not give you information about other heart defects or diseases and would not be something that would qualify for the CHIC cardiac clearances. A dog's JDCM status can only be determined by DNA test because there are no physical indicators for carriers. A cardiac auscultation is recommended to check the heart for murmurs which is the most common indicator of heart health. An echo is even better (but much pricier) to check the heart for defects but if your dog is clear by auscultation (no murmurs or other symptoms of heart disease) and you have no history of heart defects in your line (not including JDCM) then a full echo is probably unnecessary (not everyone will agree with this). No heart clearances are required for the MT CHIC number, but the auscultation and echo are listed under optional.

Question: When do you think they have aged out for testing JDCM?

Answer: It is important to do JDCM testing on all breeding dogs. If your dog is a JDCM carrier, he will still be perfectly healthy but will have the ability to produce puppies with JDCM if bred to another carrier. So it's important to know. If he's a carrier, you just want to make sure all bitches are tested for JDCM before breeding to him and that only clear bitches are bred to him. The same is true for xanthinuria and VwD.

*Editor's Note: Our wonderful Michelle Barlak was the fierce and fearless warrior that battled to get these important tests for us – if you see her – Thank her! Thank her!! Thank her!!!!*

*It's the most wonderful time of the year  
Where points will be tallying  
And those in the standings will cheer  
It's the most wonderful time of the year*

It's also time for the Orlando shows - formerly known as Eukanuba which are now sponsored by Royal Canin (December 17 - 18) - and where we have one of our two big "Meet The Breeds" displays. Volunteers are the lifeblood of this event. Every year I ask volunteers to spread the word about Manchester Terriers. You don't have to be entered in the show if you've always wanted to see the show let me be your excuse. I'll have tickets available for the day show should you want to volunteer.

Not enough of an incentive? How about for anyone that give the booth thirty (30) minutes of your time I'll give you a tee shirt with this year's design. We'll be going with a coffee shop theme this year, because what else do you know is small, darkly colored, and a necessity for life? So in the theme of the booth, we will have snacks and treats for both humans and dogs available, as well as drinks for the workers (another benefit of the theme).

Food, fun, friends, and dogs (volunteers and welcomed and encouraged to bring their dogs), what more could you ask for? Please consider donating your time for the cause of saving our breed by spreading the word at Meet the Breeds in Orlando this year.

Hope to see you there!

Another National Specialty is in the books. It was a very nice 5 days of dogs shows, beautiful dogs, great friends, great food, wonderful trophies and many memories. Thank You to EVERYONE in District 8 for all of your hard work for the National, District Specialties and supported entries, they were all wonderful. Thank you to Robin Gates for the first Top Manchester Event. It was great to watch and participate. Looking forward to next year in Florida for the 2017 National Specialty.

It is very near the end of the 2016 year of dog shows. I hope that it has been a great year for all of you. But how could it not be a great year if you are owned by Manchester Terriers!! It is that time of year for me to start looking forward planning the District 5 Specialty. I am looking at either Louisville, KY in March or else Bloomington IL in May. I will need to decide very soon. It will be posted on the AMTC web site as soon as I have details of when and where.

I would like to wish everyone a very Wonderful Thanksgiving, a Very Merry Christmas and a Safe and Prosperous New Year. Looking forward to seeing everyone next year at our favorite shows.

### **District 6 (KY, TN, OK, AR, AL, MS, LA, TX)**

Greetings to all,

I begin with excitement and pride for our breed and their breeder/owner/handlers. Our district had our specialty dog show in Knoxville, TN on Nov. 5th and 6th. With it only being a 2 day show, a whopping 10 states (FL, NC, KY, OH, VA, TN, SC, IN, CT, & MN) were represented!!! On Saturday 22 toys entered the ring, including sweeps and veteran sweeps. Nine standards filed in, including a veteran.

We were represented extremely well in the group rings with the following:

Puppy- 4-under 6 months-Saturday- Best Puppy Group1: Lone Oak Owen it all to You

Owner: Barbie Munafo Breeder: Barbie Munafo

4-under 6 months- Sunday - Best Puppy Group1: Lone Oak Lady Claire of Outlander

Owner: Lisa Flannary & Barbie Munafo Breeder: Barbie Munafo

Toys- Saturday- BOBOHG3 - Darksides Walker Stalker

Owner: Susan Thibodeaux & Madonna Lee Breeder: Jerri Hobbs & Julie Hartigan & Madonna Lee

-Saturday- B/G2 - GCH Rustic Lane Sunshine Daydream

Owner: Carolyn Horowitz & Madonna Lee Breeder: Carolyn Horowitz

-Sunday- B/BOBOHG1 - CH Heaven Hi's Hot Diggity to MarJani

Owner: Julie Hartigan Breeder: Jerri Hobbs

Standards - Unfortunately there were no standards awarded a group placement.

A giant thank you to the following people:

Cheryl and Rick Roach - for the beautiful prizes/trophies they kindly donated. Also for securing a generous amount of grooming space for raffling, fellowship and of course our dogs. They were so helpful to me as they are were working as members of the Tennessee Valley Kennel Club.

Rachel Jonas - for finding a way to get some of the trophies to the show.

Carol Sommerfelt - (the show chair) for helping me get my big girl panties on.

Jeremy and Rachel McClister- for organizing our Raffle bringing in \$200 to the district.

Carolyn and Dave Horowitz-for opening their home to all of us for a pot luck BBQ evening; providing all the meat! What a wonderful time!! Showing all starts with a dog, but I would venture to say that without at least some form of hospitality and fellowship, most dog fanciers would fall to the wayside.

Lisa Flannery-And lastly to my wonderful friend. What a servant's heart she has! She has been by my side lifting, pushing, pulling, and serving up all that I have packed for hospitality at the Nebraska and Kentucky national shows. She has supported me with the "you can do it" attitude when I felt I had bitten off more than I could chew. How many times have I heard her say "Here, let me help you"? She asks for no recognition in all she does. She is such an asset to me and the breed she loves.

Good Day Manchester Terrier lovers!

As we near the end of 2016, I'd like to thank everyone in District 7 for their continued support. Many valued members of our district have had health challenges this year - but we persevered and had two terrific specialties this year. We'd like to thank District 8 for inviting us to have a designated specialty in conjunction with the 2016 National. It was a wonderful weekend. They did an awesome job and we were happy to be a part of it. Thanks to everyone for welcoming Gary and Judy Anderson, whose love for Manchester Terriers knows no bounds. Sadly, this year, James Conley, past President of AMTC and a member of our district since 1971 passed away. We were always grateful for his commitment to our District specialty held in conjunction with the Palm Springs Kennel Club. He will be missed.

I'd like to congratulate all of the members of District 7 for a great year competing in conformation, performance, and field sports this year. Here are some of those great teams:

Stewie, GCh Ch Jazzman Tonight's The Night earned his Bronze Grand Championship and Hoki, Gch Ch Starfire's That's What It's All About CA BOB Veteran at the National, both owned and loved by Zoe Bolin.

Nardos, Ch Kismet's Ultimo Asombro De Nardos BN RA RATN CA CD earned his CD and his CA this year, great job Edithmary Stenz!

Morgan, GCh Ch Rosewood Captain Morgan earned 2 BOS during the National weekend, and recent Group 2. Ch Rosewood Last Dance, Scarlet was Select at Westminster 2016 and in Vallejo as well, both owned and loved by Betty Hodges. A special thanks to Michelle Paulin for her hard work. Rosewood is planning to breed Scarlet in spring of 2017.

Congratulations to Shelley Cafferty on Audrey's great wins at the National. Gch Ch Cashlane's Incantation was back to back BOV at the National in Vallejo, Ca. And 6 month old Kit, Cashlane's Witch of Blackbird Pond was Best in Match at the Gold Coast Manchester Terrier Club Match and earned a Bred by Exhibitor Group 2 the following day! Cashlane Manchester Terriers may be planning a litter for 2017.

Sophi, Ch Ellis Isle B So Phine just passed her temperament test and has been working on obedience, rally, and agility titles this year. Also, Ch Toria Just Cowgirl Up VCD2, MX, MXJ, UD, RE,GO, VER, CGC, Oakley, passed her temperament test as well. Both superstars are owned by Diane Hurley. Congratulations.

I'm proud to say that GCh Ch Oasis Razzmatazz CAA has sired 3 more Champions this year in addition to earning his CAA this year; Shelby, Ch Enchante' Gone in Sixty Seconds v Ambrick, owned by Ken Frate and Giphy, Ch Enchante' Camera Ready v Ambrick, owned by Melinda Winchell, and Ch Enchante' I'm Leash Candy, owned by Valerie and Blair Stanert. Taz has sired 8 champions thus far & he has more who will finish very soon! Enchante' Manchester Terriers has 2 breedings planned for '17.

We congratulate all our district members on their accomplishments this year, I would like to encourage all District 7 members to update your email information with me so that I can include your accomplishments in future reports.

Finally, I would like to invite everyone to join us in beautiful Palm Springs, California for our District 7 Specialty in January 2017. I'd also like to take this opportunity to thank Peter Rank for his continued support of our District's events. For many years now, Peter has donated the trophies for our Specialty in Palm Springs and we are very grateful for his commitment to this great event.

Have a wonderful holiday season from all of us in District 7!

Dear Members of the AMTC;

Two years of planning were required for the 2016 National Specialty. It gives an entirely new perspective and appreciation to all those previous shows I have attended. Laura Reeves, PHA, recently published an article in *Best In Show Daily* called *As the Wheels Turn – Dog Club Membership 101*, where she reported the importance for every exhibitor to work at a show at least once in their life to get a true understanding of the work involved. Nothing can be further from the truth. I had a blast learning and participating. I have also included said article.

First of all, I want to thank those that traveled far distances to exhibit their dogs. We had a beautiful entry. Without you all, it would not have been as successful. Huge congratulations to all the winners. In her address at the banquet, Lydia Coleman Hutchinson, commented on the high quality of the dogs she judged, especially the Toys. Bravo to all you breeders!

Second, I want to thank all of the members of District 8, but especially those on the committees for the National. Jeanette Tonini orchestrated this from the moment we received approval. Her eloquent leadership put us “newbies” on the right path from organization to fruition. Thank you, Jeanette, for sharing your thoughts, experience and knowledge; and most of all, thank you for being our show chair.

I would be remiss not to mention all those that contributed to the events: all AMTC and GCMTC members, non-members, family and friends. Thank you! Thank you! Also, many thanks to Robin Gates for directing the first MTOY, ever! It was great fun, but I will allow her to tell you about it.

Next, I am ecstatic to see a passion leaning towards the health of the breed. We hosted two health seminars. Carol Beauchat, PhD, from Institute of Canine Biology, presented ways to improve limited gene pool management. She really emphasized the need for building an extensive database in order to improve the genetic health of the breed in making informed breeding decisions. Her presentation looked dismal for the future of the breed, but it is not so bad that we cannot fix it. Time is of the essence. I am hopeful this will open discussion and collaborative efforts amongst breeders. Nicole Tate BS, Masters Student from the Canine Genetic Lab at the University of Minnesota, presented the recent discovery of genetic markers for Xanthinuria and Juvenile Dilated Cardiomyopathy. With these genetic tests recently made available, both are tools for breeders in regards to litter planning. This was made possible by the dedication and steadfast work of Michelle Barlak, whom started this grassroots movement to raise enough money for this research for JDCM. The research for Xanthinuria was made possible by the generous donation of Jaana Morgan. Our breed will be forever changed because their passion to improve health. The words "Thank you" fall short of the magnitude of appreciation felt by so many.

Finally, as the year winds down to the last quarter, I want to wish everyone a wonderful holiday season and a healthy, happy and prosperous New Year. District 8 will hold its annual district specialty at the Rose City Classic in January. Hope to see you all there. As always, we will be supporting our performance dogs. Best of luck and safe travels to all who will attend AKC's new Royal Canin National Championships in Orlando next month.

Please enjoy some of the submissions I have enclosed from District 8 folks that attended the National. While not all of them are members, they are Manchester lovers, and hopefully in the near future they will be.

At only fourteen months of age Riot, Noble's Random Reaction at Toria, a standard Manchester owned and bred by Trina Taylor-Ghione and Corie Herbert-Thorsland won winners dog, best of winners and best of opposite sex over specials from the bred by dog class at the 2016 National Specialty under judge Lydia Coleman-Hutchinson. This win achieved his champion title and allowed him to compete as a special at the remaining specialties and supported entries for the rest of the weekend.

Two days later at the designated specialty, Riot went on to win the variety under Jon R. Cole. Which would allow him to advance to winning the highly competitive terrier group and further more go on to win reserve best in show under Mrs. Coleman-Hutchinson. This is a huge accomplishment for a Manchester Terrier, let alone one so young. The future is very bright for this up and comer.

Hello Christina,

This is the story of how I became involved with competitive dog obedience. A little over 2 years ago my son temporarily moved home with me and brought a 1 year old high energy coonhound to my small house. I have owned and loved dogs my whole life and never needed to consult a professional trainer. "Duke" however, was a handful. He was wild and too strong for me to control on a leash. So I signed him up for 6 lessons with a trainer. He started to behave better but not good enough, so I signed up for 6 more. After 2 more lessons I gave to Duke to a friend who lived on acreage and could provide him a home more appropriate for his breed.

I had already paid for the lessons so I decided to take Bella my three year old Standard Manchester Terrier. She behaved well enough but was shy around strangers and I thought it would be good socialization.

In one lesson she knew everything the hound did. By her second lesson she was doing it off leash. I don't think she is necessarily smarter than other dogs but I think Manchester Terriers tend to be more focused on their owners than other breeds. She pays attention. Her eyes are always on me!

Despite my inexperience as a handler and with the help of my trainer, Ernest Barrera, Bella has achieved 6 AKC titles in 2 years. She has her Rally Novice, Rally Advanced, Rally Excellent, Beginning Novice Obedience, Canine Good Citizen, and Community Canine Good Citizen and has one leg to go on her Novice Obedience Title.

She is also a hundred times friendlier and willingly goes up to strangers wagging her tail. I encourage all dog owners but especially Manchester owners to train and compete with their dogs. You think you love your dogs now. Obedience is that bond made visible.

#### **Taser's Year 2016 - Sandy Svendsen**

Taser, CH Tribute Black N Tantrum BN RA CD PCD GN, and I are having a lot of fun training and trialing. This year we attended our first American Manchester Terrier Club National and Rally National Championship. Here is a little bit of information about his accomplishments this year.

In March Taser and I flew to Tulsa, Oklahoma, for the Rally National Championship, and in the Novice class Taser came in 4<sup>th</sup> place with a 199. He exhibited in Novice twice, as did all Novice dogs, and he defeated 76 dogs. 1<sup>st</sup> and 2<sup>nd</sup> placements both had scores of 200, and 3<sup>rd</sup> and 4<sup>th</sup> placements both had scores of 199.

By May, Taser had earned enough points to earn the Hall Of Fame (HOF) award, but we had to wait for the National to receive it, and I did want to receive it in person. In June, at the American Manchester Terrier Club Specialty in Vallejo, California, Taser earned his first High In Trial award in the obedience trial Novice B class.

We attended our first national at the Lake Drake Cluster in Vallejo, California. We were entered in Graduate Novice under Judge Pamela Regan, who gave Taser a 196 score and first place. That was our first time in Graduate Novice, which is a modified open class. All exercises are off leash, beginning with heeling, Figure 8, drop on recall, dumbbell recall, dumbbell recall over the high jump, and recall over the broad jump, followed by group out of sight 3-minute sit or down, and in our case it was a down.

At the American Manchester Terrier National Banquet Taser received his HOF Medallion. Of the points required, only 100 of them were from his conformation championship, the remainder were from both obedience and rally scores and placements. I've attached a picture of Taser wearing his HOF medallion.

Taser has since earned his Graduate Novice (GN) title, so we are heading to the open ring.

Wait, what? Join an all-breed club? Attend a meeting? Help at the show? Seriously?

Yes. Really. It's something every participant in the fancy really should do. Anyone who is not now or has not been an active member of a show-giving club, either an all-breed club or a national or regional breed club, has not earned the right to complain about shows, show sites, judges, or pretty much anything else.

I understand we're all busy. Trust me. I get it. I'm also the Hospitality Chair for my breed's National Events this year, which take place just a couple weeks before my all-breed club's show. And yes, I have a job and a couple side projects (like this column) and a family. And, even, every now and then, a life! The same goes for every active participant in the clubs to which I belong.

Certainly I'm not suggesting everyone over-commit the way I do (in fact, I strongly recommend against it!) but this sport rests on its people. I hear lots of complaining about how AKC doesn't do this or that club didn't do thus and so. Well, kids, who do you think is going to actually do the work? We are. You and me and Bobby McGee, figuratively speaking.

It's called giving back to the sport. And it's not just for the long-timers. Many of us are reaching critical mass in the burnout stage. We need new voices, new brains, new eyes, new (and younger) backs. Volunteering for a club introduces participants to the inner workings of the show. It helps people learn, meet new folks in the community, contribute new ideas and fresh blood (and sweat and tears). If you just acquired your first show dog (or obedience or agility or hunt test or field trial... all the same principles apply outside of conformation) what better way to learn the ropes than by helping out?

You aren't liable to be enlisted as show chair at your first meeting. Hopefully, your club leadership will listen respectfully to all input, but your ideas may not be immediately implemented. That is not reason to give up. I can assure you, speaking as one who served a number of years as National Events Coordinator

## **AMTC District Governors Reports, Cont.**

### **District 8 (AK, WA, MT, OR, ID, NoCal, NoNev, UT), Cont.**

for my breed, the volunteer in charge of poop patrol and clean up at the end of the week (no experience required) was my VERY favorite person on the team. Learning and growing in a club will inevitably bring you more opportunities, which will continue to progress depending on your skill set, your willingness and your dependability.

So, a few tips about how each and every person reading this can contribute to improving the state of the sport.

1. Join a club. Dues are rarely onerous. Unlike at work, the people you meet already share a passion. Either for the same breed or purebred dogs in general.
2. Volunteer for any one of the highly critical jobs at the show. Clean up. Or catalog sales. Or marking grooming spaces. Or judges transportation. Or hospitality. Or ring steward. Or trophy donations. Or media relations.
3. If you have a great idea for a fundraiser or other labor intensive project, volunteer to organize it. I have a standing rule — Anyone who complains about a problem, is automatically designated to find and implement a solution.
4. In larger clubs, offer to be on a committee and take a smaller bite of a larger task. Say, for example, on the hospitality committee, you could volunteer to be in charge of flowers or candy dishes or pushing the little carts with refreshments for the judges to each ring.
5. If you say you'll do something, for the love of all that's holy, DO it. In as timely and efficient a manner as possible with as little complaining as you can manage.
6. Old-timers, you folks need to be willing to let go of your fiefdoms a little. Training the replacement volunteer for your job is a tremendous gift to the fancy.
7. Club officers, especially for those Breed clubs with restricted membership, consider ways in which to grow your roster. Reaching out to new owners and instilling in them the love and fascination for your breed and ways they can contribute to its future health and well-being is a good thing.
8. Be realistic about your available time and don't bite off more than you can chew. This enables you to not become so stressed that your volunteer time is taking a toll on your mental health.
9. Personalities, petty jealousies, cliques, ancient histories and axes to grind are all part and parcel of the gig. I have found that a smile and sincere compliment goes a long, long way toward accomplishing a goal. When all else fails, quit banging your head against the brick wall and go around it...
10. Just like we learned in kindergarten... Play nice in the sandbox. Share your toys. Don't bite.

In the Year of Living Well, the purebred dog fancy is stronger when we are inclusive, inviting, encouraging and helpful. Go check it out. Join a dog club and pitch in. You might be surprised by how much more depth it brings to your enjoyment of the sport.

Christina Caridis, District 8 Governor

## Juniors' News!

Dear Jeannette and the entire AMTC National Show Committee

My Mom and I would like to thank you for all the extra effort you did for the Manchester National. I really appreciate the great goodie bag with all the candy, and the really cool sewing kit. It was fun taking the lunch bag to school after the National. I also liked the food you provided ring side.

I know you put in an extra effort to make all us juniors feel welcome. I really appreciate everything you did including the special coloring sheet from Molly Yang, and the nice ribbons and trophy for Junior Showmanship.

Thank you so much for making this year's National so Special.

Marit Alsager

## **AMTC Financial Statements**

Quick note to the members of the club from the Treasurer:

Hope everyone has an awesome holiday season and thank you to all for your hard work this year. This being my second year as the treasurer I am starting to get a full handle on things.

First the Club is in a very healthy financial position as we have available funds of \$26,755.02. We have an issue that we apparently have not run into before with respect to the allocation of funds.

We have so many funds that come in ear marked or designated to rescue or health or a specific district or purpose that we no longer have the availability of funds in the General account to pay bills and so forth from.

As a temporary measure we are going to vote on some measures to address this at our next board meeting which is scheduled for Dec. 07<sup>th</sup>. I am proposing for now that we take a flat percentage of funds from every “designated fund” and transfer it to the general fund. I believe reallocating approx. 20% from each designated fund will get us by until dues for 2017 start rolling in and we can take some other fund raising measures.

These are some suggestions that have been made by the previous treasurers or board members:

1. We consider charging additional dues for members who want a paper copy of the newsletter. This is the number one expense to the club. The creation of the paper copy of the newsletter is running approx. 1200.00 per quarter or close to 5000.00 annually.
2. We consider raising dues to all members.
3. We decrease the number of issues created from 4 per yr to 2 per year.
4. We have specific fund raisers earmarked for the general fund - like we could do an additional offering of the “Head study” that generated so much interest and make it available in various sizes for a fund raiser.
5. We could post a different item for auction/raffle on the website each month and set that money aside for the general fund.
6. We can amend the standing rules to require that all donations received for earmark funds have a specific percentage automatically allocated to the general fund- so let’s say we agreed on 30%, If a donation was received for Rescue that was 100 than 70 would go to rescue and 30 to the General fund.

These are all just suggestions and ideas but I wanted to end the year with more than just numbers on a page and give everyone a feel for where we are at.

If you have comments prior to the board meeting or suggestions, Please feel free to email them either myself or to Jeremy Mcclister. [dtexter@papemh.com](mailto:dtexter@papemh.com) [reddobe15@windstream.net](mailto:reddobe15@windstream.net)

Thank you , and again Happy Holidays (Merry Christmas/Happy New Years etc...)

Dianna Texter, Treasurer

EVERYONE is welcome and invited to contribute to the newsletter – it is only as good as you make it!

**ADDITIONALLY** - Please note that at the very back of the newsletter there are several forms which need to be emailed or snail mailed back (membership renewal, volunteer form, ATC stud form) that may interest you. You now can also renew on line with Pal Pal!

#### Jim Conley 1939-2016

From Jeanette Tonini - "I got an email invitation for Jim's memorial. He lived in the Pasadena area of CA. I remember meeting him

several times when I was at the Long Beach dog shows. He had standards, was a past President of the AMTC, and was also a charter member of AMTC.

Please join us to celebrate the wonderful and colorful life of Jim Conley. Raise a glass to the inimitable friend, family member, colleague, and well-loved character he was. Jim loved Hawaii, so feel free to wear your aloha shirt as Jim would have".

Jeanne Dalesky

Jeanne's sister Kay

AMTC 2016 National Specialty is dedicated to the loving memory of Jeanne Dalesky.

August 2, 1938 - August 25, 2016

Jeanne Dalesky long time Breeder, Owner, Handler of "Hidden Hill" Manchester Terrier Fame, has lost her battle to bone cancer.

She was a member in good standing in the American Manchester Terrier Club of which Jeanne was highly active. She held several positions on the Board of Directors throughout the years, along with being Governor of District 2. Jeanne's love and devotion of the breed showed through with her involvement of the many Trophies she and her sister Kay created, painted and provided to the Club's National and District Specialties for many years. Being very fond of the AMTC Hall of Fame, Jeanne raffled off lovely handmade and painted items to defray costs of the Medallions for the new inductees yearly. Jeanne knew no strangers – she was a lifetime Mentor and good friend to many. She will be missed and long remembered for her many contributions to the breed. Jeanne was also an active member of the Myrtle Beach Kennel Club, holding the prestigious Presidency of the Club.

Always a big smile, hardy laugh, kind word and lovingly shared her many stories of the past with the Manchester Community! God's Speed Jeanne, RIP.....you will never be forgotten.

### **The First Annual Manchester Terrier of the Year Competition**

This was the first of what hopes to be many years of the Manchester Terrier of the year competition. This competition is an opportunity for the members of the AMTC to show off their dogs that have excelled in conformation. The qualification period was from January 2015 to May 2016. Dogs in the Top 10 Breed or All Breed, specialty show variety winners, variety winners at the AKC National Championship and Westminster, BIS, RBIS and Group One winners were all invited if they were owned or co-owned by a member in good standing. We had an amazing turnout as 35 of the 41 dogs that qualified entered. Of those, 28 exhibited that evening to a large crowd of Manchester fanciers and even spectators that heard all of the music and fun.

The judges selected had to be in 1 of 3 groups – All Breed Judge, Breeder and/or Handler. Since this was the First Annual event, we wanted to ensure we had an esteemed panel. All were pleased to hear the chosen judges were Sue Goldberg (All Breed Judge), Wendy Kelly (Breeder), Sharon Zaker (Handler).

They had a tough job as they had to rate 28 dogs on 10 different parts of the AKC standard.

Each judge was asked to complete a score sheet for each dog. They were to grade them 1 to 10 with 1 meaning non-existent and 10 meaning exactly as stated in the standard on the following items taken directly from the standard. The highest score available was 300.

- General Appearance (Size, Proportion, Substance) – Score 1 to 10
- Head (Expression, Ears, Head, Muzzle, Skull, Bite) – Score 1 to 10
- Neck, Top line, Body (Tail) – Score 1 to 10
- Forequarters (shoulders, legs, feet) – Score 1 to 10
- Hindquarters (hips, legs, feet) – Score 1 to 10
- Coat – Score 1 to 10
- Color – Score 1 to 10
- Gait (down and back) – Score 1 to 10
- Gait (side on around) – Score 1 to 10
- Temperament – Score 1 to 10

To keep everything flowing smoothly, there were 2 appointed ring stewards and tabulators. Sabra Weeks and Sue Thrasher stepped up and quickly got into the flow so there were no paperwork delays.

### **Standard Manchester Runner Up** ***GCHB JetCity's Cactus Jack CA (Jack Jr)***

### **Toy Manchester Terrier Top Dog** ***BVISS GCH Blossoms Jasmine Dream (Jazzy)***

### **Toy Manchester Terrier Runner Up** ***MBIS MBISS GCHS Cottage Lake's Our Lady of Fatima (Lucia)***

## AMTC Manchester Terrier of the Year Competition, Cont.

Everyone thoroughly enjoyed the songs each entrant chose, and loved watching the dogs strut their stuff in center stage, as their handlers showed them off. This was a time for these special dogs to have their moment in the spotlight. Also, the MTOY Annuals were a big hit as each dog had their picture and write up on each page of the Annual. It was produced in color and really showed off how beautiful all of the dogs are. There are just a few Annuals left if anyone is interested in buying one.

Next year is expected to be even more exciting with over a year to plan instead of the 2 months I had to pull this quickly together. I am so thrilled the Board allowed me to get this exciting event off and running. At the Annual meeting there was a resounding yes to having it next year. Additionally, several great suggestions came from attendees and participants which will make next year even grander.

I am looking forward to directing and hosting this event in 2017 in beautiful Orlando, FL. See you all there!!!  
(submitted by Robin Gates) (And a hearty thanks to Robin too!)

# THANK YOU

Gary & I want to thank everyone for their kindness at National. The love shown and the ovation when we walked up to the ring was something we will never forget. This breed and the people in it, are truly special.

I drove over 12 hours to get us home and as most of you know I'm not used to driving. Could not have done it without Valerie Stanert, who left the weekend early to follow us most of the way. A special thank you to Dr. Roger Travis for his kindness, support and helping us pack the car. He is a wonderful person and his kindness will never be forgotten.

Thank you all again and wishing everyone a wonderful holiday season. We received the greatest gift of all, the show of true friendship.

Hugs,

Gary & Judy Anderson Breeders of Merit and Home of Oasis Standard Manchesters

### Message from 2016 National Show Chair

I would personally like to congratulate all the winners at the National, District 7 & District 8 Specialties, the Top Manchester of the Year Awards for Toys and Standards, Agility, Obedience, Rally, Supported Entry shows, and Barn Hunt. I believe everyone had plenty of shows, seminars and activities.

I would also like to thank my committee members and District 8 for all their support in prepping for the events and activities. They all worked very hard to put on the 2016 National, and as they say "hard work pays off". We had a good turn out this year and the weather was nice until Sunday, when the thermometer hit the 90's, which is not the norm for this area of Northern California.

District 8 tells me they are ready to host another National in the near future, and we hope more can attend.

Cheers and the best - until next time we meet.

Jeanette Tonini

**04/26/2000 -- 10/14/2016**  
**“Gypsy”**

Gypsy was a devoted friend and companion to Jonathan and Morag Sampson. But she was also wonderful working dog for both Morag, who trained and competed in Obedience; and for Jonathan, who campaigned her in the conformation ring. Gypsy was Morag's Novice A to UD, and Jonathan's first Champion Conformation Dog. She excelled in both rings, achieving a very impressive record:

Multiple BOB wins, and 18 Group placements from June 2001 to November 2005

CD title in Obedience in 2003

CDX and High in Trial at the National Specialty in 2004

High In Trial Terrier Association of Oregon January 2005

Rally Novice, Advanced, and Excellent titles in 2005

Utility Dog title in 2006

American Manchester Terrier Club Top Obedience Dog in 2003, 2005, and 2006

Hall Of Fame.

After Retirement, she became part of Tripp's Support team, as he competed in Conformation and Obedience  
We are all so sorry for your loss - she was a wonderful little girl.

Gypsy in the poppy field

*I'd Like the memory of me to be a happy one  
I'd like to leave a memory of smiles when day is done  
I'd like to leave an echo whispering softly down the ways  
Of happy times and laughing times and bright and sunny days  
Gypsy - Run Free as a breeze in the Poppy field with the angels*

Thank you to her breeders Myrtle Klensch, Allison Gray and Derba Zarges for allowing Gypsy to be part of our lives - Jonathan and Morag Sampson
